The Texas Municipal League exists solely to provide services to Texas cities. Since its formation in 1913, the League’s mission has remained the same: to serve the needs and advocate the interests of its members.

The TML Constitution states that the purpose of the League is to “render services which individual cities have neither the time, money nor strength to do alone.”

CONGRATULATIONS ON YOUR DECISION TO FILE FOR CITY OFFICE!

Serving as an effective city elected official requires dedication, knowledge, and a substantial commitment in time, and there are countless reasons why people choose to run for public office. While you may have a very specific reason for seeking a place on the city council, you will be involved in a number of other issues that can have a lasting impact on your city's future. For this reason, becoming a city elected official can be one of the most rewarding experiences of your life. An understanding of your role on the city council—as a member of a team—is critical to your success.

This booklet is designed to familiarize you with the responsibilities of city elected office. Use it as a reference guide during your campaign. Don't hesitate to ask your city manager or city secretary questions about your specific city structure. If you are elected, you may want to seek out the many other resources that help to guide newly elected officials in their new roles.

Material contained in this brochure should not be viewed as a substitute for legal advice or specific information applicable to your city. In addition, if you're serious about your candidacy, you should consider other, more detailed information sources available to you, including:

- attending city council or board of aldermen meetings
- examining your charter, if your city is home rule
- reviewing city ordinances
- the TML Handbook for Mayors and Councilmembers

For information on elections, you may get additional information from the city clerk or secretary or the Texas Secretary of State's office; you should also consult your own attorney or familiarize yourself with the requirements of election laws.
LEADERSHIP ATTRIBUTES
FOR COUNCILMEMBERS

Do you have the necessary leadership attributes to be an effective city leader? At a minimum, successful elected officials must devote a significant amount of time and energy to fulfill a position that answers directly to citizens. Some desirable leadership attributes include:

- a general understanding of city government
- willingness to learn about a wide range of topics
- integrity
- consistency
- confidence
- dedication to the interests of citizens and the community as a whole
- strong communication and team-building skills, including being a good listener
- openness to the thoughts and ideas of others
- being approachable and accessible
- willingness to work cooperatively with others

AN ELECTED OFFICIAL WEARS MANY HATS

Local elected officials have many responsibilities—policymaker, legislator, ambassador, and employer.

The office of mayor is the highest elected office in city government. City councilmembers are the city’s legislators, and their primary role is policymaking. The manner in which administrative responsibilities are handled depends on your city type, with which you should be familiar.

Policymaker

As policymakers, it is the council’s responsibility to identify the needs of the citizens and to formulate a plan to meet those needs. Policymaking is a complicated process but can be simplified if the city council works together as a team and sets goals for the city. It is from the city council’s vision that the administrative staff of the city takes direction and going about its daily work. The goals of the city should
A Guide to Becoming a City Official

be clear. There are many legal, financial, and administrative considerations to implementing the goals of the city, and without clear direction the effectiveness of the city council can be diminished.

Legislator

Citizens look to the city council to exercise authority to preserve and promote their health, safety, and welfare. A city council may enact ordinances and resolutions and use its governmental powers for the public good. Citizens expect their city council to provide leadership in addressing issues. It is important to show respect for your fellow council members and be willing to discuss issues thoroughly to reach a consensus on the best course of action for all citizens, whatever the issue.

Ambassador

As a member of your city council, you will be invited to participate in a variety of civic activities. These events will provide you opportunities to learn more about what citizens of your city expect from city government. While not everyone likes this type of public spotlight, it is an important part of your role as a council member.

Employer

An understanding of your role as an elected official is vital to your relationship with the city staff. Just as in any productive employer-employee relationship, trust and respect are important. You can learn a great deal about the city from city employees. In many cities, council members come and go, but the city staff continues to serve.

MAYORS, COUNCILS, AND BOARDS OF ALDERMEN

The mayor and city council or board of aldermen collectively serve as the governing body for a city and normally possess all legislative powers granted by state law. The positions of both council member and alderman have been compared to those of the members of the state legislature and the U.S. Congress. All these positions require elected officials to represent their constituents, to make policy decisions, to budget for the execution of the policies, and to see that their policies are carried out. Unlike their counterparts in state and federal offices, however, city officials are in direct contact with the citizens they serve on an ongoing basis.
**ARE YOU ELIGIBLE?**

To run for office in a general law city in Texas, you must, among other requirements:

- be a citizen of the United States;
- be at least 18 years old on the date of the election; and
- have lived in the State of Texas for at least 12 consecutive months prior to the filing date for the election, and in your city or ward for at least 6 months prior to the filing date for the election.

Certain offices and certain city types have additional requirements in state law, so you should be sure to check with both the city and the Texas Secretary of State's office to ensure that you are eligible. A home rule city may set different requirements in its charter, so check with your city clerk or secretary on whether additional or different requirements apply.

**FILING FOR A PLACE ON THE BALLOT**

To run for city office, you must file an application with the city clerk or secretary. The application includes information required by the Texas Election Code and must be filed according to deadlines set by that code. A candidate may either file for a place on the ballot or as a write-in candidate, but an application must be filed in either case. A home rule city may also have additional requirements and procedures for filing for a place on the ballot. Your city clerk or secretary can inform you of the rules and deadlines.

**TEXAS ETHICS COMMISSION**

**CAMPAIGN FINANCE FILINGS**

State law requires the filing of various forms by a candidate for city office.

All candidates for city offices must file an “Appointment of a Campaign Treasurer by a Candidate” form with the city secretary before beginning their campaigns. Candidates who do not intend to accept more than $600 in political contributions or make more than $600 in political expenditures may file a modified reporting declaration and operate under modified reporting. Under modified reporting, the candidate is not required to file any further forms beyond the final report, which is filed at the end of the campaign. Semiannual reports may still be required in some cases.
A Guide to Becoming a City Official

Candidates who intend to accept more than $500 in political contributions or make more than $500 in political expenditures, or who exceed that amount even after filing for modified reporting, must file under regular reporting requirements. Reports due under these requirements must be submitted by January 15 and July 15 of each year. The reports filed on these dates are known as semiannual reports. An opposed candidate in an upcoming city election who is using regular reporting must file reports of contributions and expenditures 30 days and 8 days before the election. A candidate in a runoff must file a report 8 days before the runoff election. Candidates filing under regular reporting are also required to file a final report at the end of the campaign.

Detailed information on filing is available on the Texas Ethics Commission’s Web site at www.ethics.state.tx.us.

AN INTRODUCTION TO CITY GOVERNMENT

Elected city officials should have a basic understanding of city government and the duties, authority, and limitations of an elected body. What follows is a brief introduction to a few basic governance issues.

Of course, there is no better way to understand what elected officials do than to attend council meetings. In addition, most cities and towns have advisory boards that are formed to make or recommend policy or quasi-judicial decisions, such as a planning commission or parks and recreation board. Serving on these and other appointed boards is another excellent way to become informed.

TYPES OF CITY GOVERNMENT

Texas has more than 1,800 incorporated cities; each of them is either a home rule city or a general law city.

Home rule cities are larger cities. A city with a population of more than 5,000 in which the citizens have adopted a home rule charter through an election is a home rule city. A home rule charter is the document that establishes the city’s governmental structure and provides for the distribution of powers and duties.
We’ve Got You Covered!

General law cities are usually smaller cities. General law cities don’t have charters. Rather, they operate according to specific state statutes. A general law city looks to the state constitution and state statutes to determine what it may do. If state law doesn’t grant a general law city the express or implied power to initiate a particular action, none may be taken. There are three categories of general law cities: type A, B, or C. If you are seeking office in a general law city, you should ask your city manager or city secretary to clarify the type in order to understand which state laws apply.

As opposed to general law cities, a home rule city operates according to its charter and looks to the state constitution and state statutes to determine what it may not do.

FORMS OF GOVERNMENT

There are two prevalent forms of city government in Texas:

**MAYOR-COUNCIL STRUCTURE**

- The mayor is the ceremonial head of government and presides over council or board of aldermen meetings.
- The council or board of aldermen sets meetings.
- The council or board of aldermen sets policy.
- Depending on local charter, applicable statute, or local practice, broad or limited administrative authority is vested with the mayor or members of the council or board of aldermen or with an administrator or designated department heads appointed by the mayor, council, or board of aldermen.

**COUNCIL-MANAGER STRUCTURE**

- The mayor is the ceremonial head of government and presides over council meetings.
- The council sets policy and hires and fires the manager.
- The city manager normally has broad administrative authority.
A Guide to Becoming a City Official

BASIC CITY SERVICES

Services provided by cities vary. However, some typical services may include:

PUBLIC SAFETY—police, fire, and sometimes ambulance service
UTILITIES—water and sewer, trash collection, electric power, and natural gas
LAND USE—planning, zoning, code enforcement, and other regulatory activities
TRANSPORTATION—street construction and maintenance, traffic safety, and sometimes public transit
RECREATION/CULTURE—parks, recreation, libraries, and sometimes cultural facilities
LEGAL—ordinances protecting the public health, safety, and welfare of the community

CITY FINANCE

In budgeting, the governing body makes important decisions about the operation and priorities of the city. Is a swimming pool more important than storm sewers? Does the city need a new library more than it needs extra police personnel? Should the potholes be filled or the street completely rebuilt? Budgeting is a process by which the governing body determines the city’s standard of living—what the citizens need and want, what they are willing to pay, and what services they can expect to receive for their tax dollars.

Cities levy specific taxes to finance city services. The following are the most common taxes levied by Texas cities:

PROPERTY TAX—levied on the valuation of taxable property located within the city
SALES TAX—levied on retail sales of tangible personal property and some specific services
FRANCHISE FEES—levied on non-municipally owned utilities (telecommunications, electric, gas, water, cable television)

In addition, many city services are financed in whole or in part by user fees and charges. Finally, cities receive some revenues from various federal and state grant and allocation programs. TML provides a comprehensive guide to all revenue sources available to cities. The guide is called the TML Revenue Manual for Texas Cities and is available at www.tml.org.

ETHICS AND CONFLICTS OF INTEREST

Various laws govern the behavior of a city official. A brief overview of the most important statutes follows.
We’ve Got You Covered!

LOCAL GOVERNMENT CODE CHAPTER 171 – CONFLICTS OF INTEREST

Definition of “conflict of interest”: A local public official has a conflict of interest in a matter if any action on the matter would involve a business entity or real property in which the official has a substantial interest, and if an action on the matter will result in a special economic effect on the business that is distinguishable from the effect on the public, or in the case of a substantial interest in real property, it is reasonably foreseeable that the action will have a special economic effect on the value of the property, distinguishable from its effect on the public. A local public official is also considered to have a substantial interest if a close relative has such an interest.

General rule: If a local public official has a conflict of interest in regard to a business entity or real property, that official must file an affidavit with the city secretary stating the interest and must abstain from any participation or vote on the matter.

Exception: If a local public official has a conflict of interest and files an affidavit, the official is not required to abstain from further participation or a vote on the matter if a majority of the members of the governing body also have a conflict of interest and file an affidavit.

Penalties: Penalties for violating the conflict of interest provisions range from having the action voided to the imposition of fines and incarceration.

LOCAL GOVERNMENT CODE CHAPTER 176 – CONFLICTS DISCLOSURE

Local Government Code Chapter 176 requires that “local government officers”—including mayors, councilmembers, city managers or administrators, and certain other city officials—file a “conflicts disclosure statement” with a city’s records administrator within seven days of becoming aware of either of the following situations:

- A city officer or the officer’s family member has an employment in the preceding 12 months or business relationship that results in taxable income of more than $2,500 in the preceding 12 months with a person who has contracted with the city or with whom the city is considering doing business.
A city officer or the officer's family member receives and accepts one or more gifts with an aggregate value of $250 in the preceding 12 months from a person who has contracted with the city or is being considered for business with the officer's city. The law also requires a vendor who has contracted with the city or wishes to be considered for business with a city to file a "conflict of interest questionnaire" if the vendor has an employment or other relationship with an officer or officer's family members, or has given a gift to either. The conflicts disclosure statement and the conflict of interest questionnaire were created by the Texas Ethics Commission and are available online at www.ethics.state.tx.us. An officer who knowingly fails to file the statement commits a class C misdemeanor, which is punishable by a fine of up to $500.

GOVERNMENT CODE CHAPTER 553 — CONFLICTS DISCLOSURE

Government Code Chapter 553 requires that city officers and candidates for city office who have a legal or equitable interest in property that is to be acquired with public funds file an affidavit within 10 days before the date on which the property is to be acquired by purchase or condemnation. The affidavit must be filed with: (1) the county clerk of the county in which the officer or candidate resides; and (2) the county clerk of each county in which the property is located.

A person who fails to file the required affidavit is presumed to have committed a Class A misdemeanor offense if the person had actual notice of the acquisition or intended acquisition of the property.

FINANCIAL DISCLOSURE FOR CITIES OVER 100,000 POPULATION

Chapter 145 of the Texas Local Government Code requires candidates and elected city officials in cities over 100,000 to fill out detailed financial statements to be filed with the city secretary or city clerk.
We've Got You Covered!

NEPOTISM

Definition of "nepotism": Nepotism is the appointment or employment of a close relative of a city's "final hiring authority" (the city council or city manager, depending on the form of government) to a paid position with the city.

General rule: A public official, acting alone or as a member of a governing body, generally may not appoint a close relative to a paid position, regardless of the relative's merit. In addition, the reverse applies. In other words, a person may not be elected to the city council if a close relative is employed by the city, unless the relative first resigns.

Exception: If the employee has been continuously employed by the city for a certain period of time, a close relative may be elected to the city council.

Penalties: Penalties for violating the nepotism provisions include a fine and immediate removal from office.

DUAL OFFICE-HOLDING/INCOMPATIBILITY

Definition of "dual office-holding" and general rule: The Texas Constitution generally prohibits one person from holding more than one paid public office.

Definition of "incompatibility" and general rule: Texas law prohibits one person from holding two public offices, regardless of whether one or both offices are paid, if one position might impose its policies on the other or subject it to control in some other way. There are three types of incompatibility: (1) "self-appointment" incompatibility prohibits a member of a governing body from being appointed to a position over which the governing body has appointment authority; (2) "self-employment" incompatibility prohibits a member of a governing body from being employed in a position over which the governing body has employment authority; and (3) "conflicting loyalties" incompatibility prohibits one person from holding two public offices in which the duties of one office might negatively affect the duties of the other office.

Penalties: A person who accepts a prohibited second office automatically resigns the first office.
OPEN GOVERNMENT

Before assuming public office, you should become familiar with Texas Open Meetings Act (TOMA) and Public Information Act. These laws apply to political subdivisions in Texas, including cities, and outline what meetings and information must be open and available to the public.

TEXAS OPEN MEETINGS ACT (TOMA)

The Texas Open Meetings Act (TOMA) reflects the policy that public bodies are engaged in the public’s business. Consequently, city council or board of aldermen meetings should be open to the public and held only after the public has been properly notified. The TOMA governs how city meetings are conducted. Some general principles follow.

Definition of “meeting”: A meeting occurs any time a quorum of the city council is present and public business is discussed, and either: (1) a member of the governmental body speaks or the governmental body votes; or (2) the governmental body calls and is responsible for the gathering. Please note that a meeting may occur even when a quorum is not physically present at the same location and/or discussion does not take place at the same moment in time.

General rule: Every regular, special, or called meeting of the city council and most boards and commissions (depending on membership and authority) must be open to the public.

Exception: The TOMA does not apply to purely social gatherings, conventions and workshops, ceremonial events, or press conferences, so long as any discussion of city business is incidental to the purpose of the gathering and no formal action is taken. Similarly, the Act does not apply to a quorum attending a legislative committee or legislative agency meeting so long as public business is discussed in a public forum.

Exception: Statutorily authorized executive or “closed” sessions, including deliberations concerning: (1) purchase or lease of real property; (2) consultation with attorney; (3) personnel matters; (4) economic development; and (5) certain homeland security matters.

To hold an executive session, the governing body must first convene in open session, identify which issues will be discussed in executive session, and cite the applicable exception. All final actions, decisions, or votes must be made in an open meeting.
We’ve Got You Covered!

Notice: A governmental body must post a notice that includes the date, hour, place, and subject of each meeting. The notice must be posted on a bulletin board at city hall in a place readily accessible to the public at all times for at least 72 hours before the meeting. In addition, for cities that have an Internet Web site: (1) a city under 48,000 population must post meeting notices on its Web site; and (2) a city over 48,000 population must post the entire agenda on its Web site.

Records of meetings: Cities must keep written minutes or recordings of all meetings, except for closed consultations with an attorney. The minutes must state the subject, indicate further action taken on the matter (for example, a vote, or decision, or other action taken on the matter), and include an announcement by the presiding officer at the beginning and end of the closed meeting indicating the date and time.

Penalties: Penalties for violating the TOMA range from having the action voided to the imposition of fines and incarceration. Any action taken in violation is voidable and may be reversed in a civil lawsuit. There are four criminal provisions under the TOMA, including: (1) knowingly conspiring to circumvent the TOMA by meeting in numbers less than a quorum for the purpose of secret deliberations; (2) knowingly calling or participating in an unauthorized closed session; (3) participating in an executive session knowing a certified agenda or a tape recording is not being made; and (4) disclosure of a certified agenda or tape recording to a member of the public.

Texas Public Information Act (PIA)

The Texas Public Information Act governs the availability of city records to the public. Some general provisions follow.

Definition of “public information”: Public information includes any information that is collected, assembled, or maintained by or for a governmental entity, regardless of the format. Public information can include city-related emails or texts on a city official’s personal devices/accounts.

General rule: Most information held by a city is presumed to be public information and must be released pursuant to a written request.

Exceptions: Specific statutory exceptions to disclosure allow certain types of information to be withheld from the public. Other statutes make certain kinds of information “confidential by law,” meaning that a city must withhold that information from the public. Because there are numerous exceptions, city officials should consult with local counsel immediately on receipt of a request.
Procedure: Any member of the public may request information in writing. A city official is prohibited from inquiring into the requestor’s motives and is generally limited to: (1) releasing the information as quickly as is practicable, but generally not later than ten business days following the request; or (2) requesting an opinion from the Texas attorney general’s office within ten business days of the request as to whether the information may be withheld. Recent statutory changes and rulings by the attorney general have granted cities the authority to withhold specified types of confidential information without going through the process of seeking an opinion from the attorney general’s office.

Penalties: Penalties for violating the PIA range from a civil lawsuit against the city or a city official to the imposition of fines and incarceration. There are three general criminal provisions under the PIA, including: (1) refusing to provide public information; (2) providing confidential information; and (3) improperly destroying government information.

OPEN GOVERNMENT TRAINING

Each elected or appointed member of a governmental body must take at least one hour of training in both the Open Meetings Act and the Public Information Act. For more information, please visit the attorney general’s Web site at www.oag.state.tx.us.

A BASIC GLOSSARY OF CITY GOVERNMENT

BUDGETING: Crafting, passing, and following a city budget are among the most important tasks you will perform as a councilmember. Cities cannot make expenditures except in strict accordance with a budget, and they can levy taxes only in accordance with the budget. The state comptroller’s office publishes the Budget Manual for Texas Cities, which is an excellent resource.

CONFLICTS OF INTEREST: As a councilmember, you are prohibited from voting or deliberating on agenda items that affect your own business or financial interests. You’ll be required to file an affidavit with the city secretary disclosing the details of your financial interests, and that affidavit becomes a public record. Further, a law passed in 2005 may require you to disclose in writing the receipt of any gifts or income from any vendor that does business with the city.
**We’ve Got You Covered!**

**DUAL OFFICE-HOLDING:** Councilmembers cannot hold other paid public offices; in many cases, they cannot hold other unpaid public offices, either. Further, councilmembers can’t take paid jobs with their own city, nor can they appoint themselves to other posts or positions. Finally, think twice about announcing to run for another public office while you’re still a councilmember—you may automatically resign your council seat when you do. Check with your city attorney, the Texas Municipal League, or the attorney general before considering any other position or job that might be a problem.

**EMPLOYMENT POLICIES:** In general law cities, the final authority on employment decisions typically rests with the council as a whole. In home rule cities, the charter usually determines who makes employment decisions. As a member of the council, you should familiarize yourself with the city’s employment policies and periodically consult with your city attorney to ensure the policies are kept up to date.

**FREEDOM OF INFORMATION:** The Texas Public Information Act and the Open Meetings Act require access to meetings and records. After a city receives a written request for information, it must promptly provide copies or access to information, with limited exceptions. The Texas attorney general determines whether information is excepted from disclosure to the public. City officials are required by law to attend training in both Acts.

**GIFTS AND DONATIONS:** Cities are prohibited by the Texas Constitution from giving money or any thing of value to a private individual, association, or corporation. The exception to this doctrine is when the city council determines that a donation will serve a public purpose. The decision as to what constitutes a public purpose is left to the discretion of the city council, but may be overturned by a court. The law places strict requirements on what gifts an elected official or candidate may receive. Officials and candidates should review these rules before accepting any gift.

**FILLING VACANCIES:** The Texas Constitution includes a provision that allows an elected official who is no longer qualified for office to continue to serve until his or her vacancy is filled by a qualified individual. This provision allows a city to continue to conduct business even when it loses one or more councilmembers. However, some disqualifications may prevent the disqualified councilmember from continuing to serve as a holdover, and this issue should be reviewed upon the vacancy being created.
LIABILITY: Councilmembers will generally be held personally liable only for actions taken outside the scope of their duties and responsibilities as members of the governing body. However, the city itself will be potentially liable for actions taken by its councilmembers within the scope of their official duties. (See Tort Claims Act below.)

MEETING: Almost everyone intuitively knows what a meeting is. For example, a regular meeting of a city council, where agenda items are discussed and formal action is taken, is clearly a meeting. However, according to the Texas Open Meetings Act, other gatherings of the members of a governmental body may constitute a meeting. Generally, any time a quorum is present and city business is discussed, all of the Open Meetings Act requirements, including posting of a notice and preparation of minutes, must be followed.

QUORUM: A city council must have a quorum to call a meeting to order and conduct business. The number of councilmembers required to establish a quorum varies by city. A quorum in a general law city is determined by state law, and a quorum in a home rule city is spelled out in the city's charter.

TORT CLAIMS ACT: The Texas Tort Claims Act limits governmental liability and provides for damage caps for governmental entities. The Act provides that liability for engaging in 56 specifically enumerated "governmental functions" (such as provision of police and fire protection, maintaining city parks, and other activities one expects of a local government) is limited by statute to $250,000 for personal injury claims and $100,000 for property damage claims. The Tort Claims Act does not generally provide for private causes of action against individual councilmembers for the actions of the city government.

VOTES BY COUNCIL: When a council votes on an ordinance or resolution, all that is typically needed to pass the item is a majority of those present and voting. While a quorum is the number needed to conduct a meeting, it is not necessary that a quorum actually vote on each agenda item. Local practices may vary from city to city, however.

GOOD LUCK!

We wish you luck in the election. No matter the outcome, you will find the process rewarding and should be proud that you made the decision to offer your time and commitment to the citizens of your city. If you are elected, the Texas Municipal League is here to assist you. Contact us at 512-231-7400 or www.tml.org.

AND POLITICAL COMMITTEES

Political Fundraising—What You Need To Know

Fundraising Events

Rule No. 1
File a Campaign Treasurer Appointment

All candidates must file a campaign treasurer appointment with the proper filing authority before accepting a campaign contribution or making or authorizing a campaign expenditure, including an expenditure from personal funds.

All political committees must file a campaign treasurer appointment before accepting or spending over $500, and additional requirements may also apply.

Rule No. 2
No Raffles

Texas law allows only certain charitable and nonprofit organizations to conduct raffles to support their charitable causes. An unlawful raffle may constitute illegal gambling, which may carry criminal penalties.

Rule No. 3
No Cash Contributions Over $100

Texas law prohibits a candidate, officeholder, or specific-purpose committee from accepting political contributions in cash (excluding checks) that in the aggregate exceed $100 from a single contributor in a reporting period.

Rule No. 4
Auction Activity is Reportable

Donations to a candidate or political committee at a fundraiser are campaign contributions.

An item donated to be auctioned at a fundraiser is an “in-kind” campaign contribution. The purchase of the item at the auction is also a contribution. Both the item and the purchase price must be reported as political contributions.
Rule No. 5
No Anonymous Contributions

Texas law requires filers to know the name of each contributor and the amount of each contribution, even for small contributions. Do not “pass the hat” or use a contribution jar. Depending on the filer and the amount of the contribution, additional information may be required.

Rule No. 6
No Contributions from Corporations or Labor Organizations

Texas law prohibits corporations and labor organizations from making political contributions to candidates, officeholders, and related specific-purpose committees. Contributions to GPACs are also restricted. Limited exceptions also exist.

The prohibition also applies to other organizations, such as partnerships and limited liability companies (LLC), if they are owned by a corporation or include an incorporated member or partner.

Rule No. 7
No Contributions from Foreign Nationals

The Federal Election Campaign Act (FECA) prohibits certain foreign nationals from contributing, donating, or spending funds in connection with any federal, state, or local election in the U.S., either directly or indirectly. It is also unlawful to help foreign nationals violate that ban or to solicit, receive, or accept contributions or donations from them.

Rule No. 8
No Misuse of Government Property to Campaign

Chapter 39 of the Penal Code prohibits a public servant from using government property, services, personnel, or any other thing of value belonging to the government to obtain a benefit or to harm or defraud another. The commission has held that the use of state computers to prepare campaign finance reports, or to use state resources to gather information for a campaign fundraiser, constitutes a misuse of government property.

An application filed before that day is void. All fields must be completed unless specifically marked optional.

The general election filing deadline is 5:00 p.m. 78 days prior to election day for any uniform election date.

NEPOTISM LAW

The candidate must sign this statement indicating his awareness of the nepotism law. The nepotism prohibitions of chapter 573, Government Code, are summarized below:

No officer may appoint, or vote for or confirm the appointment or employment of any person related within the second degree by affinity (marriage) or the third degree by consanguinity (blood) to himself, or to any other member of the governing body or court on which he serves when the compensation of that person is to be paid out of public funds or fees of office. However, nothing in the law prevents the appointment, voting for, or confirmation of anyone who has been continuously employed in the office or employment for the following period prior to the election or appointment of the officer or member related to the employee in the prohibited degree: six months, if the officer or member is elected at the general election for state and county officers.

No candidate may take action to influence an employee of the office to which the candidate is seeking election or an employee of the governmental body to which the candidate is seeking election regarding the appointment or employment of a person related to the candidate in a prohibited degree as noted above. This prohibition does not apply to a candidate's actions with respect to a bona fide class or category of employees or prospective employees.

Examples of relatives within the third degree of consanguinity are as follows:
(1) First degree: parent, child;
(2) Second degree: brother, sister, grandparent, grandchild;
(3) Third degree: great-grandparent, great-grandchild, uncle, aunt, nephew, niece.

These include relatives by blood, half-blood, and legal adoption. Examples of relatives within the second degree of affinity are as follows:
(1) First degree: spouse, spouse's parent, son-in-law, daughter-in-law;
(2) Second degree: brother's spouse, sister's spouse, spouse's brother, spouse's sister, spouse's grandparent.

Persons related by affinity (marriage) include spouses of relatives by consanguinity, and, if married, the spouse and the spouse's relatives by consanguinity. These examples are not all inclusive.

Sin embargo, la ley no prohíbe el nombramiento, el votar por o la confirmación de ninguna persona que haya trabajado en la oficina de manera continua o el empleo para el siguiente período antes de la elección o el nombramiento del funcionario o miembro emparentado con el empleado en el grado prohibido: seis meses, si el funcionario o miembro se elige en una elección general de funcionarios de estado y condado.

Ningún candidato podrá influir sobre un empleado relacionado al puesto oficial al cual el candidato aspira o un empleado o funcionario del cuerpo fiscal al cual el candidato aspira respecto del nombramiento o el empleo de un pariente del candidato en un grado prohibido según se indica arriba. Esta restricción no se dirige a las acciones de un candidato respecto de una clase o categoría de empleados o posibles empleados de buena fe.

(1) Primer grado: padre, madre, hijo(a);
(2) Segundo grado: hermano(a), abuelo(a), nieto(a);
(3) Tercer grado: bisabuelo(a), bisnieto(a), tío(a), sobrino(a).

APPOINTMENT OF A CAMPAIGN TREASURER
BY A CANDIDATE

GENERAL INSTRUCTIONS

These instructions are for the APPOINTMENT OF A CAMPAIGN TREASURER BY A CANDIDATE (Form CTA). Use Form CTA only for appointing your campaign treasurer. Use the AMENDMENT (Form ACTA) for changing information previously reported on Form CTA and for renewing your choice to report under the modified schedule. Note: Candidates for most judicial offices use Form JCTA to file a campaign treasurer appointment.

DUTIES OF A CANDIDATE OR OFFICEHOLDER. As a candidate or officeholder, you alone, not the campaign treasurer, are responsible for filing this form and all candidate/officeholder reports of contributions, expenditures, and loans. Failing to file a report on time or filing an incomplete report may subject you to criminal or civil penalties.

QUALIFICATIONS OF CAMPAIGN TREASURER. A person is ineligible for appointment as a campaign treasurer if the person is the campaign treasurer of a political committee that has outstanding filing obligations (including outstanding penalties). This prohibition does not apply if the committee in connection with which the ineligibility arose has not accepted more than $5,000 in political contributions or made more than $5,000 in political expenditures in any semiannual reporting period. A person who violates this prohibition is liable for a civil penalty not to exceed three times the amount of political contributions accepted or political expenditures made in violation of this provision. Note: A candidate may appoint himself or herself as his or her own campaign treasurer.

DUTIES OF A CAMPAIGN TREASURER. State law does not impose any obligations on a candidate’s campaign treasurer.

REQUIREMENT TO FILE BEFORE BEGINNING A CAMPAIGN. If you plan to run for a public office in Texas (except for a federal office), you must file this form when you become a candidate even if you do not intend to accept campaign contributions or make campaign expenditures. A “candidate” is a person who knowingly and willingly takes affirmative action for the purpose of gaining nomination or election to public office or for the purpose of satisfying financial obligations incurred by the person in connection with the campaign for nomination or election. Examples of affirmative action include:

(A) the filing of a campaign treasurer appointment, except that the filing does not constitute candidacy or an announcement of candidacy for purposes of the automatic resignation provisions of Article XVI, Section 65, or Article XI, Section 11, of the Texas Constitution;

(B) the filing of an application for a place on the ballot;

(C) the filing of an application for nomination by convention;
(D) the filing of a declaration of intent to become an independent candidate or a declaration of write-in candidacy;

(E) the making of a public announcement of a definite intent to run for public office in a particular election, regardless of whether the specific office is mentioned in the announcement;

(F) before a public announcement of intent, the making of a statement of definite intent to run for public office and the soliciting of support by letter or other mode of communication;

(G) the soliciting or accepting of a campaign contribution or the making of a campaign expenditure; and

(H) the seeking of the nomination of an executive committee of a political party to fill a vacancy.

Additionally, the law provides that you must file this form before you may accept a campaign contribution or make or authorize a campaign expenditure, including an expenditure from your personal funds. A filing fee paid to a filing authority to qualify for a place on a ballot is a campaign expenditure that may not be made before filing a campaign treasurer appointment form with the proper filing authority.

If you are an officeholder, you may make officeholder expenditures and accept officeholder contributions without having a campaign treasurer appointment on file. If you do not have a campaign treasurer appointment on file and you wish to accept campaign contributions or make campaign expenditures in connection with your office or for a different office, you must file this form before doing so. In such a case, a sworn report of contributions, expenditures, and loans will be due no later than the 15th day after filing this form.

WHERE TO FILE A CAMPAIGN TREASURER APPOINTMENT. The appropriate filing authority depends on the office sought or held.

a. Texas Ethics Commission. The Texas Ethics Commission is the appropriate filing authority for the Secretary of State and for candidates for or holders of the following offices:

- Governor, Lieutenant Governor, Attorney General, Comptroller, Treasurer, Land Commissioner, Agriculture Commissioner, Railroad Commissioner.

- State Senator or State Representative.

- Supreme Court Justice, Court of Criminal Appeals Judge, and Court of Appeals Judge.*

- State Board of Education.

- A multi-county district judge* or multi-county district attorney.

- A single-county district judge.*
• An office of a political subdivision other than a county if the political subdivision includes areas in more than one county and if the governing body of the political subdivision has not been formed.

• A chair of the state executive committee of a political party with a nominee on the ballot in the most recent gubernatorial election.

• A county chair of a political party with a nominee on the ballot in the most recent gubernatorial election if the county has a population of 350,000 or more.

* Judicial candidates use FORM JCTA to appoint a campaign treasurer.

b. County Clerk. The county clerk (or the county elections administrator or tax assessor, as applicable) is the appropriate local filing authority for a candidate for:

• A county office.

• A precinct office.

• A district office (except for multi-county district offices).

• An office of a political subdivision other than a county if the political subdivision is within the boundaries of a single county and if the governing body of the political subdivision has not been formed.

c. Local Filing Authority. If a candidate is seeking an office of a political subdivision other than a county, the appropriate filing authority is the clerk or secretary of the governing body of the political subdivision. If the political subdivision has no clerk or secretary, the appropriate filing authority is the governing body’s presiding officer. Basically, any political subdivision that is authorized by the laws of this state to hold an election is considered a local filing authority. Examples are cities, school districts, and municipal utility districts.

FILING WITH A DIFFERENT AUTHORITY. If you have a campaign treasurer appointment on file with one authority, and you wish to accept campaign contributions or make or authorize campaign expenditures in connection with another office that would require filing with a different authority, you must file a new campaign treasurer appointment and a copy of your old campaign treasurer appointment (certified by the old authority) with the new filing authority before beginning your campaign. You should also provide written notice to the original filing authority that your future reports will be filed with another authority.

FORMING A POLITICAL COMMITTEE. As a candidate, you must file an APPOINTMENT OF A CAMPAIGN TREASURER BY A CANDIDATE (FORM CTA). You may also form a specific-purpose committee to support your candidacy. Remember that filing a campaign treasurer appointment for a political committee does not eliminate the requirement that a candidate file his or her own campaign treasurer appointment (FORM CTA) and the related reports.

NOTE: See the Campaign Finance Guide for Political Committees for further information about specific-purpose committees.
CHANGING A CAMPAIGN TREASURER. If you wish to change your campaign treasurer, simply file an amended campaign treasurer appointment (FORM ACTA). This will automatically terminate the outgoing campaign treasurer appointment.

AMENDING A CAMPAIGN TREASURER APPOINTMENT. If any of the information reported on the campaign treasurer appointment (FORM CTA) changes, file an AMENDMENT: APPOINTMENT OF A CAMPAIGN TREASURER BY A CANDIDATE (FORM ACTA) to report the change.

REPORTING REQUIREMENT FOR CERTAIN OFFICEHOLDERS. If you are an officeholder who appoints a campaign treasurer after a period of not having one, you must file a report of contributions, expenditures, and loans no later than the 15th day after your appointment is effective. This requirement is not applicable if you are a candidate or an officeholder who is merely changing campaign treasurers.

TERMINATING A CAMPAIGN TREASURER APPOINTMENT. You may terminate your campaign treasurer appointment at any time by:

1) filing a campaign treasurer appointment for a successor campaign treasurer, or

2) filing a final report.

Remember that you may not accept any campaign contributions or make or authorize any campaign expenditures without a campaign treasurer appointment on file. You may, however, accept officeholder contributions and make or authorize officeholder expenditures.

If your campaign treasurer quits, he or she must give written notice to both you and your filing authority. The termination will be effective on the date you receive the notice or on the date your filing authority receives the notice, whichever is later.

FILING A FINAL REPORT. For filing purposes, you are a “candidate” as long as you have an appointment of campaign treasurer on file. If you do not expect to accept any further campaign contributions or to make any further campaign expenditures, you may file a final report of contributions and expenditures. A final report terminates your appointment of campaign treasurer and relieves you of the obligation of filing further reports as a candidate. If you have surplus funds, or if you retain assets purchased with political funds, you will be required to file annual reports. (See instructions for FORM C/OH - UC.) If you are an officeholder at the time of filing a final report, you may be required to file semiannual reports of contributions, expenditures, and loans as an officeholder.

If you do not have an appointment of campaign treasurer on file, you may not accept campaign contributions or make campaign expenditures. A payment on a campaign debt is a campaign expenditure. An officeholder who does not have an appointment of campaign treasurer on file may accept officeholder contributions and make officeholder expenditures.
To file a final report, you must complete the CANDIDATE/OFFICEHOLDER CAMPAIGN FINANCE REPORT (FORM C/OH), check the “final” box on Page 1, Section 9, and complete and attach the DESIGNATION OF FINAL REPORT (FORM C/OH-FR).

ELECTRONIC FILING. All persons filing campaign finance reports with the Texas Ethics Commission are required to file those reports electronically unless the person is entitled to claim an exemption. Please check the Ethics Commission’s website at http://www.ethics.state.tx.us for information about exemptions from the electronic filing requirements.

GUIDES. All candidates should review the applicable Ethics Commission’s campaign finance guide. Guides are available on the Ethics Commission’s website at http://www.ethics.state.tx.us.

10. **CANDIDATE SIGNATURE:** Enter your signature after reading the summary. Your signature here indicates that you have read the following summary of the nepotism law; that you are aware of your responsibility to file timely reports; and that you are aware of the restrictions on contributions from corporations and labor organizations.

   - The Texas nepotism law (Government Code, chapter 573) imposes certain restrictions on both officeholders and candidates. You should consult the statute in regard to the restrictions applicable to officeholders.

   - A candidate may not take an affirmative action to influence an employee of the office to which the candidate seeks election in regard to the appointment, confirmation, employment or employment conditions of an individual who is related to the candidate within a prohibited degree.

   - A candidate for a multi-member governmental body may not take an affirmative action to influence an officer or employee of the governmental body to which the candidate seeks election in regard to the appointment, confirmation, or employment of an individual related to the candidate in a prohibited degree.

   - Two people are related within a prohibited degree if they are related within the third degree by consanguinity (blood) or the second degree by affinity (marriage). The degree of consanguinity is determined by the number of generations that separate them. If neither is descended from the other, the degree of consanguinity is determined by adding the number of generations that each is separated from a common ancestor. Examples: (1) first degree - parent to child; (2) second degree - grandparent to grandchild; or brother to sister; (3) third degree - great-grandparent to great-grandchild; or aunt to niece who is child of individual’s brother or sister. A husband and wife are related in the first degree by affinity. A wife has the same degree of relationship by affinity to her husband’s relatives as her husband has by consanguinity. For example, a wife is related to her husband’s grandmother in the second degree by affinity.

**PAGE 2**

11. **CANDIDATE NAME:** Enter your name as you did on Page 1.

12. **MODIFIED REPORTING DECLARATION:** Sign this option if you wish to report under the modified reporting schedule.

   The modified reporting option is not available for candidates for the office of state chair of a political party.
To the left of your signature, enter the year of the election or election cycle to which your selection of modified reporting applies.

Your selection of modified reporting is valid for an entire election cycle. For example, if you choose modified reporting before a primary election, your selection remains in effect for any runoff and for the general election and any related runoff. You must make this selection at least 30 days before the first election to which your selection applies.

An opposed candidate in an election is eligible to report under the modified reporting schedule if he or she does not intend to accept more than $500 in political contributions or make more than $500 in political expenditures in connection with an election. The amount of a filing fee paid to qualify for a place on the ballot does not count against the $500 expenditure limit. An opposed candidate who reports under the modified schedule is not required to file pre-election reports (due 30 days and 8 days before an election) or runoff reports (due 8 days before a runoff). (Note: An unopposed candidate is not required to file pre-election reports in the first place.) The obligations to file semiannual reports, special pre-election reports (formerly known as telegram reports), or special session reports, if applicable, are not affected by selecting the modified schedule.

The $500 maximums apply to each election within the cycle. In other words, you are limited to $500 in contributions and expenditures in connection with the primary, an additional $500 in contributions and expenditures in connection with the general election, and an additional $500 in contributions and expenditures in connection with a runoff.

**EXCEEDING $500 IN CONTRIBUTIONS OR EXPENDITURES.** If you exceed $500 in contributions or expenditures in connection with an election, you must file according to the regular filing schedule. In other words, you must file pre-election reports and a runoff report, if you are in a runoff.

If you exceed either of the $500 limits after the 30th day before the election, you must file a sworn report of contributions and expenditures within 48 hours after exceeding the limit. After that, you must file any pre-election reports or runoff reports that are due under the regular filing schedule.

Your selection is not valid for other elections or election cycles. Use the amendment form (ACTA) to renew your option to file under the modified schedule for a different election year or election cycle.

(a) The purpose of this chapter is to encourage every candidate and political committee to subscribe to the Code of Fair Campaign Practices.
(b) It is the intent of the legislature that every candidate and political committee that subscribes to the Code of Fair Campaign Practices will follow the basic principles of decency, honesty, and fair play to encourage healthy competition and open discussion of issues and candidate qualifications and to discourage practices that cloud the issues or unfairly attack opponents.

Sec. 258.003. DELIVERY OF COPY OF CODE.
(a) When a candidate or political committee files its campaign treasurer appointment, the authority with whom the appointment is filed shall give the candidate or political committee a blank form of the Code of Fair Campaign Practices and a copy of this chapter.
(b) The authority shall inform each candidate or political committee that the candidate or committee may subscribe to and file the code with the authority and that subscription to the code is voluntary.

Sec. 258.004. TEXT OF CODE. The Code of Fair Campaign Practices reads as follows:

CODE OF FAIR CAMPAIGN PRACTICES

There are basic principles of decency, honesty, and fair play that every candidate and political committee in this state has a moral obligation to observe and uphold, in order that, after vigorously contested but fairly conducted campaigns, our citizens may exercise their constitutional rights to a free and untrammeled choice and the will of the people may be fully and clearly expressed on the issues.

THEREFORE:

(1) I will conduct the campaign openly and publicly and limit attacks on my opponent to legitimate challenges to my opponent's record and stated positions on issues.

(2) I will not use or permit the use of character defamation, whispering campaigns, libel, slander, or scurrilous attacks on any candidate or the candidate's personal or family life.

(3) I will not use or permit any appeal to negative prejudice based on race, sex, religion, or national origin.

(4) I will not use campaign material of any sort that misrepresents, distorts, or otherwise falsifies the facts, nor will I use malicious or unfounded accusations that aim at
creating or exploiting doubts, without justification, as to the personal integrity or patriotism of my opponent.

(5) I will not undertake or condone any dishonest or unethical practice that tends to corrupt or undermine our system of free elections or that hampers or prevents the full and free expression of the will of the voters, including any activity aimed at intimidating voters or discouraging them from voting.

(6) I will defend and uphold the right of every qualified voter to full and equal participation in the electoral process, and will not engage in any activity aimed at intimidating voters or discouraging them from voting.

(7) I will immediately and publicly repudiate methods and tactics that may come from others that I have pledged not to use or condone. I shall take firm action against any subordinate who violates any provision of this code or the laws governing elections.

I, the undersigned, candidate for election to public office in the State of Texas or campaign treasurer of a political committee, hereby voluntarily endorse, subscribe to, and solemnly pledge myself to conduct the campaign in accordance with the above principles and practices.

Pursuant to chapter 258 of the Election Code, every candidate and political committee is encouraged to subscribe to the Code of Fair Campaign Practices. The Code may be filed with the proper filing authority upon submission of a campaign treasurer appointment form. Candidates or political committees that already have a current campaign treasurer appointment on file as of September 1, 1997, may subscribe to the code at any time.

TEXAS ETHICS COMMISSION FILING SCHEDULE FOR ELECTION REPORTS DUE
TEXAS ETHICS COMMISSION
2019 FILING SCHEDULE FOR REPORTS DUE IN CONNECTION WITH ELECTIONS HELD ON UNIFORM ELECTION DATES

This is a filing schedule for reports to be filed in connection with elections held on uniform election dates in May and November. Examples of elections held on uniform election dates are elections for school board positions and city offices. The uniform election dates in 2019 are May 4 and November 5.

Candidates and officeholders must file semiannual reports (due on January 15, 2019, and July 15, 2019). In addition, a candidate who has an opponent on the ballot in an election held on a uniform election date must file two pre-election reports (unless the candidate has elected modified reporting).

The campaign treasurer of a political committee that is involved in an election held on a uniform election date must also file pre-election reports (unless the committee is a general-purpose political committee that files monthly or a specific-purpose political committee that files on the modified reporting schedule). This schedule sets out the due dates for pre-election reports in connection with elections on uniform election dates. Please consult the 2019 REGULAR FILING SCHEDULE FOR GENERAL-PURPOSE POLITICAL COMMITTEES (GPAC), COUNTY EXECUTIVE COMMITTEES (CEC), AND SPECIFIC-PURPOSE POLITICAL COMMITTEES (SPAC) for a complete listing of political committee deadlines.

Candidates for and officeholders in local offices regularly filled at the general election for state and county officers (the November election in even-numbered years) should use the 2019 FILING SCHEDULE FOR CANDIDATES AND OFFICEHOLDERS FILING WITH THE COUNTY CLERK OR ELECTIONS ADMINISTRATOR.

EXPLANATION OF THE FILING SCHEDULE CHART

COLUMN I: REPORT DUE DATE - This is the date by which the report must be filed. If the due date for a report falls on a Saturday, Sunday, or legal holiday, the report is due on the next regular business day. This schedule shows the extended deadline where applicable. A report transmitted to the Texas Ethics Commission over the Internet is considered timely filed if it is transmitted by midnight, Central Time Zone, on the night of the filing deadline. For most filing deadlines, a report filed on paper is considered timely filed if it is deposited with the U.S. Post Office or a common or contract carrier properly addressed with postage and handling charges prepaid, or hand-delivered to the filing authority by the filing deadline. Pre-Election Reports: A report due 30 days before an election and a report due 8 days before an election must be received by the appropriate filing authority no later than the report due date to be considered timely filed.

COLUMN II: TYPE OF REPORT (WHO FILES) - This column gives the report type and explains which reporting form to use and which filers are required to file the report.

COLUMN III: BEGINNING DATE OF PERIOD COVERED - This column sets out the beginning date of the time period covered by the report. Use the latest one of the applicable dates. The "date of campaign treasurer appointment" is the beginning date only for the first report filed after filing a campaign treasurer appointment. For officeholders recently appointed to an elective office, the beginning date for the first report will be the date the officeholder took office, provided that he or she was not already filing as an officeholder or candidate at the time of the appointment. (NOTE: If you are ever confused about the beginning date for a required report, remember this rule: There should never be gaps between reporting periods and, generally, there should not be overlaps.)

COLUMN IV: ENDING DATE OF PERIOD COVERED - This column sets out the ending date of the time period covered by the report. The report must include reportable activity occurring on the ending date.

Please consult the CAMPAIGN FINANCE GUIDE FOR CANDIDATES AND OFFICEHOLDERS WHO FILE WITH LOCAL FILING AUTHORITIES or the CAMPAIGN FINANCE GUIDE FOR POLITICAL COMMITTEES for further information.

INTRODUCTION

This guide is a summary of reporting requirements and other regulations set out in title 15 of the Texas Election Code (chs. 251-258) and in the rules adopted by the Texas Ethics Commission. This guide applies to candidates for and officeholders in most local offices in Texas.

This guide does not apply to candidates for or officeholders of statewide elective offices, the State Legislature, seats on the State Board of Education, or multi-county district offices. Nor does it apply to candidates for or judges of statutory county courts, statutory probate courts, or district courts.

OFFICEHOLDERS

Officeholders as well as candidates are subject to regulation under title 15. An officeholder who has a campaign treasurer appointment on file with a filing authority is a “candidate” for purposes of title 15 and is subject to all the regulations applicable to candidates. An officeholder who does not have a campaign treasurer appointment on file is subject only to the regulations applicable to officeholders.

Most of the requirements discussed in this guide apply to both candidates (individuals who have a campaign treasurer appointment on file) and to officeholders who do not have a campaign treasurer appointment on file. The guide will indicate whether a particular requirement applies to individuals who have campaign treasurer appointments on file, to officeholders who do not have campaign treasurer appointments on file, or to both.

JUDICIAL CANDIDATES AND OFFICEHOLDERS

Candidates for and officeholders in most judicial offices are subject to various restrictions that do not apply to other candidates and officeholders. Those candidates and officeholders should review the CAMPAIGN FINANCE GUIDE FOR JUDICIAL CANDIDATES AND OFFICEHOLDERS and the POLITICAL ADVERTISING GUIDE which are available on the commission’s website.

Nonjudicial Officeholder Seeking Judicial Office. Pursuant to Ethics Advisory Opinion No. 465 (2005), a nonjudicial officeholder who becomes a judicial candidate is required to file two campaign finance reports, one reporting nonjudicial activity and the other reporting judicial activity. Alternatively, a nonjudicial officeholder who becomes a judicial candidate may select to file a single report that includes both candidate and officeholder activity if the activity is clearly and properly reported. See the CAMPAIGN FINANCE GUIDE FOR JUDICIAL CANDIDATES AND OFFICEHOLDERS for more information.

FEDERAL OFFICES

This guide does not apply to candidates for federal offices. Candidates for federal offices should contact the Federal Elections Commission. The FEC’s toll-free number is (800) 424-9530.

FILING AUTHORITIES

Title 15 requires candidates and officeholders to file various documents and reports with the appropriate filing authority.
The filing authority for a local candidate or officeholder depends on the nature of the office sought or held.

**County Clerk.** The county clerk (or the county elections administrator if the county has an elections administrator, or tax assessor-collector if the county’s commissioners court has transferred the filing authority function to the tax assessor-collector and the county clerk and tax assessor-collector have agreed to the transfer) is the appropriate filing authority for a candidate for:

- a county office;
- a precinct office;
- a district office (except for multi-county district offices); and
- an office of a political subdivision other than a county if the political subdivision is within the boundaries of a single county and if the governing body of the political subdivision has not been formed.

**Other local filing authority.** If a candidate is seeking an office of a political subdivision other than a county, the appropriate filing authority is the clerk or secretary of the governing body of the political subdivision. If the political subdivision has no clerk or secretary, the appropriate filing authority is the governing body’s presiding officer.

**Texas Ethics Commission.** The Texas Ethics Commission is the appropriate filing authority for candidates for:

- Multi-county district offices. (Reminder: This guide does not apply to multi-county district offices.)
- An office of a political subdivision other than a county if the political subdivision includes areas in more than one county and if the governing body of the political subdivision has not been formed.

**POLITICAL COMMITTEES (PACS)**

Often a candidate or officeholder chooses to establish a specific-purpose political committee. A political committee is subject to separate filing requirements. Establishing a specific-purpose political committee does not relieve a candidate or officeholder of the obligation to file as an individual. For more information about political committees, see the Ethics Commission’s [CAMPAIGN FINANCE GUIDE FOR POLITICAL COMMITTEES](#).

**FINANCIAL DISCLOSURE STATEMENTS**

Some local candidates and officeholders are required to file an annual personal financial statement in accordance with Government Code chapter 572 or Local Government Code chapter 159. This statement is not a campaign finance document, and is not addressed in this guide.
FEDERAL INCOME TAX

This pamphlet does not address the federal tax implications of campaign finance. Questions regarding federal tax law should be directed to the Internal Revenue Service.

TEXAS ETHICS COMMISSION

If you have a question about how title 15 applies to you, you may call the Ethics Commission for assistance or you may request a written advisory opinion.

The Ethics Commission has authority to impose fines for violations of title 15. If you have evidence that a person has violated title 15, you may file a sworn complaint with the Ethics Commission. The Ethics Commission’s mailing address is P.O. Box 12070, Austin, Texas 78711. The phone number is (512) 463-5800. The Ethics Commission maintains a website at www.ethics.state.tx.us on the Internet.

APPOINTING A CAMPAIGN TREASURER

If you plan to run for a public office in Texas (except for a federal office), you must file an APPOINTMENT OF A CAMPAIGN TREASURER BY A CANDIDATE (FORM CTA) with the proper filing authority when you become a candidate even if you do not intend to accept campaign contributions or make campaign expenditures. A “candidate” is a person who knowingly and willingly takes affirmative action for the purpose of gaining nomination or election to public office or for the purpose of satisfying financial obligations incurred by the person in connection with the campaign for nomination or election. Examples of affirmative action include:

(A) the filing of a campaign treasurer appointment, except that the filing does not constitute candidacy or an announcement of candidacy for purposes of the automatic resignation provisions of Article XVI, Section 65, or Article XI, Section 11, of the Texas Constitution;

(B) the filing of an application for a place on the ballot;

(C) the filing of an application for nomination by convention;

(D) the filing of a declaration of intent to become an independent candidate or a declaration of write-in candidacy;

(E) the making of a public announcement of a definite intent to run for public office in a particular election, regardless of whether the specific office is mentioned in the announcement;

(F) before a public announcement of intent, the making of a statement of definite intent to run for public office and the soliciting of support by letter or other mode of communication;

(G) the soliciting or accepting of a campaign contribution or the making of a campaign expenditure; and

(H) the seeking of the nomination of an executive committee of a political party to fill a vacancy.
NO CAMPAIGN CONTRIBUTIONS OR EXPENDITURES WITHOUT TREASURER APPOINTMENT ON FILE

Additionally, the law provides that you must file a campaign treasurer appointment form with the proper filing authority before you may accept a campaign contribution or make or authorize a campaign expenditure, including an expenditure from your personal funds. A filing fee paid to a filing authority to qualify for a place on a ballot is a campaign expenditure that may not be made before filing a campaign treasurer appointment form with the proper filing authority.

APPOINTING TREASURER TRIGGERS REPORTING DUTIES

After a candidate has filed a form appointing a campaign treasurer, the candidate is responsible for filing periodic reports of contributions and expenditures. Filing reports is the responsibility of the candidate, not the campaign treasurer. Even if a candidate loses an election, he or she must continue filing reports until he or she files a final report. See “Ending Filing Obligations” in this guide. (An officeholder who files a final report, and thereby terminates his or her campaign treasurer appointment, may still be required to file semiannual reports of contributions and expenditures as an officeholder.)

QUALIFICATIONS OF CAMPAIGN TREASURER

A person is ineligible for appointment as a campaign treasurer if the person is the campaign treasurer of a political committee that has outstanding filing obligations (including outstanding penalties). This prohibition does not apply if the committee in connection with which the ineligibility arose has not accepted more than $5,000 in political contributions or made more than $5,000 in political expenditures in any semiannual reporting period. A person who violates this prohibition is liable for a civil penalty not to exceed three times the amount of political contributions accepted or political expenditures made in violation of this provision.

DUTIES OF CAMPAIGN TREASURER

A candidate’s campaign treasurer has no legal duties. (Note: The campaign treasurer of a political committee is legally responsible for filing reports.)

EFFECTIVE DATE OF APPOINTMENT

A campaign treasurer appointment is effective when filed. A hand-delivered appointment takes effect on the date of delivery. A mailed appointment takes effect on the date of the postmark.

CODE OF FAIR CAMPAIGN PRACTICES

A filing authority should provide to each individual who files a campaign treasurer appointment a form containing a Code of Fair Campaign Practices. A candidate may pledge to conduct his or her campaign in accordance with the principles and practices set out in the Code by signing the form and filing it with the appropriate filing authority.
APPOINTMENT BY OFFICEHOLDER

If an officeholder files an appointment of campaign treasurer after a period in which he or she did not have a campaign treasurer appointment on file, the officeholder may have to file a report of contributions and expenditures no later than 15 days after filing the appointment of campaign treasurer. See “15th Day After Appointment of Campaign Treasurer by Officeholder” in this guide. An officeholder who changes a campaign treasurer is not required to file this report.

Note: An officeholder who has a campaign treasurer appointment on file is a candidate for purposes of title 15.

FILING FOR A PLACE ON THE BALLOT

Filing a campaign treasurer appointment and filing for a place on the ballot are two completely separate actions. The Secretary of State can provide information about filing for a place on the ballot. Call the Secretary of State at (512) 463-5650 or toll-free at (800) 252-8683.

CHANGING TREASURERS

A candidate may change campaign treasurers at any time by filing an amended appointment of campaign treasurer (FORM ACTA). Filing an appointment of a new treasurer automatically terminates the appointment of the old treasurer.

TRANSFERRING TO A DIFFERENT FILING AUTHORITY

If a candidate has a campaign treasurer appointment on file with one filing authority and wishes to accept campaign contributions or make campaign expenditures in connection with a candidacy for an office that would require reporting to a different filing authority, the candidate must file a new campaign treasurer appointment and a copy of the old campaign treasurer appointment (certified by original authority) with the second filing authority. The candidate should also provide written notice to the original filing authority that future reports will be filed with another authority. In general, funds accepted in connection with one office may be used in connection with a campaign for a different office, as long as neither of the offices is a judicial office.

TERMINATING A CAMPAIGN TREASURER APPOINTMENT

A candidate may terminate a campaign treasurer appointment by filing an amended appointment of campaign treasurer or by filing a final report.

A campaign treasurer may terminate his or her own appointment by notifying both the candidate and the filing authority in writing. The termination is effective on the date the candidate receives the notice or on the date the filing authority receives the notice, whichever is later.

DECIDING NOT TO RUN

A campaign treasurer appointment does not simply expire. An individual who has a campaign treasurer appointment on file must file reports of contributions and expenditures until he or she files a final report with the filing authority. See “Ending Filing Obligations” in this guide.
Things to Remember

- If you plan to run for a public office in Texas (except for a federal office), you must file an APPOINTMENT OF A CAMPAIGN TREASURER BY A CANDIDATE (FORM CTA) with the proper filing authority when you become a candidate even if you do not intend to accept campaign contributions or make campaign expenditures.

- A person may not accept a campaign contribution or make a campaign expenditure unless the person has a campaign treasurer appointment on file with the proper filing authority.

- Once a person files a form appointing a campaign treasurer, the person is a candidate for disclosure filing purposes and is responsible for filing periodic reports of contributions and expenditures with the proper filing authority until the person files a “final report.”

- The candidate, not the campaign treasurer, is responsible for filing periodic reports of contributions and expenditures.

- Filing a campaign treasurer appointment does not automatically “sign you up” for a place on the ballot. The Secretary of State can provide information about getting on the ballot. Call (512) 463-5650 or (800) 252-8683.

POLITICAL CONTRIBUTIONS AND EXPENDITURES

Title 15 regulates political contributions and political expenditures. There are two types of political contributions: campaign contributions and officeholder contributions. Similarly, there are two kinds of political expenditures: campaign expenditures and officeholder expenditures.

CAMPAIGN CONTRIBUTIONS

A person makes a campaign contribution to a candidate if the person provides or promises something of value with the intent that it be used in connection with a campaign. A contribution of goods or services is an “in-kind” campaign contribution. A loan is considered to be a contribution unless it is from an incorporated financial institution that has been in business for more than a year. Candidates must report all loans made for campaign purposes, including loans that are not “contributions.”

- Donations to a candidate at a fund-raiser are campaign contributions.

- The provision of office space to a candidate is an “in-kind” campaign contribution.

- A promise to give a candidate money is a campaign contribution.

- An item donated to be auctioned at a fund-raiser is an “in-kind” campaign contribution. The purchase of the item at the auction is also a contribution.

- A campaign volunteer is making a contribution in the form of personal services. (Contributions of personal services are sometimes not required to be reported. See “Contributions of Personal Services” in this guide.)
Note: An individual may not accept a campaign contribution without an appointment of campaign treasurer on file with the proper filing authority.

CAMPAIGN EXPENDITURES

A campaign expenditure is a payment or an agreement to make a payment in connection with a campaign for an elective office.

- Paying a filing fee in connection with an application for a place on a ballot is a campaign expenditure.
- Purchasing stationery for fund-raising letters is a campaign expenditure.
- Renting a field to hold a campaign rally is a campaign expenditure.
- Paying people to put up yard signs in connection with an election is a campaign expenditure.

Note: An individual may not make a campaign expenditure unless he or she has a campaign treasurer appointment on file with the proper filing authority.

OFFICERHOLDER CONTRIBUTIONS

The provision of or a promise to provide goods or services to an officeholder that is intended to defray expenses in connection with an officeholder’s duties or activities is an officeholder contribution if the expenses are not reimbursable with public money. A contribution of goods or services is an “in-kind” officeholder contribution.

A loan from an incorporated financial institution that has been in business for more than a year is not considered a contribution, but an officeholder must report any such loans made for officeholder purposes.

An officeholder is not required to have a campaign treasurer appointment on file to accept officeholder contributions. An officeholder who does not have a campaign treasurer on file may not accept campaign contributions.

OFFICEHOLDER EXPENDITURES

A payment or agreement to pay certain expenses in connection with an officeholder’s duties or activities is an officeholder expenditure if the expenses are not reimbursable with public money.

An officeholder is not required to have a campaign treasurer appointment on file to make officeholder expenditures. An officeholder who does not have a campaign treasurer on file may not make campaign expenditures.

CAMPAIGN EXPENDITURES BY OFFICEHOLDER

An officeholder who has a campaign treasurer appointment on file may accept both campaign contributions and officeholder contributions and make both campaign expenditures and officeholder expenditures. On a report, there is no need for an officeholder who is a candidate to distinguish
between campaign contributions and officeholder contributions or between campaign expenditures and officeholder expenditures. Both campaign contributions and officeholder contributions are reported as “political contributions” and both campaign expenditures and officeholder expenditures are reported as “political expenditures.”

An officeholder who does not have a campaign treasurer on file may accept officeholder contributions and make officeholder expenditures but may not accept campaign contributions or make campaign expenditures.

PERMISSIBLE USE OF POLITICAL CONTRIBUTIONS

An officeholder may use officeholder contributions for campaign purposes if the officeholder has an appointment of campaign treasurer on file. Candidates and officeholders may not convert political contributions to personal use. See “Campaign Finance Restrictions” in this guide.

USE OF POLITICAL FUNDS TO RENT OR PURCHASE REAL PROPERTY

A candidate or officeholder is prohibited from using political funds to purchase real property or to pay the interest on or principal of a note for the purchase of real property.

A candidate or officeholder may not knowingly make or authorize a payment from political funds for the rental or purchase of real property from: (1) a person related to the candidate or officeholder within the second degree of consanguinity or affinity as determined under Chapter 573, Government Code; or (2) a business in which the candidate or officeholder (or a person related to the candidate or officeholder within the second degree of consanguinity or affinity) has a participating interest of more than 10 percent, holds a position on the governing body, or serves as an officer. Elec. Code § 253.038 (a-1). This restriction applies to a payment made from political funds on or after September 1, 2007, without regard to whether the payment was made under a lease or other agreement entered into before that date.

ACCEPTING CONTRIBUTIONS

A candidate or officeholder must report contributions that he or she has accepted. Receipt is different from acceptance. A decision to accept a contribution must be made by the end of the reporting period during which the contribution is received.

Failure to make a determination about acceptance or refusal. If a candidate or officeholder fails to make a timely determination to accept or refuse a contribution by the deadline, the contribution is considered to have been accepted.

Returning refused contributions. If a candidate or officeholder receives a political contribution but does not accept it, he or she must return the contribution not later than the 30th day after the end of the reporting period in which the contribution was received. Otherwise, the contribution is considered to have been accepted.
REIMBURSEMENT FOR POLITICAL EXPENDITURES FROM PERSONAL FUNDS

If a candidate or officeholder makes political expenditures from personal funds, he or she may use political contributions to reimburse himself or herself if the expenditures are properly reported either on the reporting schedule for loans or on the reporting schedule for political expenditures from personal funds. In order for a candidate or officeholder to use political contributions to reimburse his or her personal funds, the political expenditure from personal funds must be properly reported on the report covering the period in which the expenditures are made. *A filed report may not be later corrected to indicate an intention to reimburse personal funds from political contributions.*

If a candidate or officeholder deposits personal funds in an account in which political contributions are held as permitted by section 253.0351(c) of the Election Code, the deposited amount must be reported as a loan and reimbursements to the candidate or officeholder may not exceed the amount reported as a loan. *See “Campaign Expenditures from Personal Funds” in this guide for additional information.*

SEPARATE ACCOUNT REQUIRED

A candidate or officeholder must keep political contributions in one or more accounts that are separate from any other account maintained by the candidate or officeholder. (There is no requirement to keep campaign contributions in a separate account from officeholder contributions.)

INFORMATION REQUIRED ON REPORTS

CONTRIBUTIONS

A report must disclose the amount of each contribution or the value and nature of any in-kind contribution, as well as the name and address of the individual or political committee making the contribution, and the date of the contribution. (Detailed information about a contributor is not required to be reported if the contributor contributed $50 or less during the reporting period.)

PLEDGES

Promises to transfer money, goods, services, or other things of value are contributions. If a filer accepts such a promise, he or she must report it (along with the information required for other contributions) on the reporting schedule for “pledges.” Once a pledge has been received, it is reported on the appropriate receipts schedule for the reporting period in which the pledge is received. A pledge that is actually received in the same reporting period in which the pledge was accepted shall be reported only on the appropriate receipts schedule.

Note: A pledge is not a contribution unless it has been accepted.

*Example 1:* In June a supporter promises that he will give Juan Garcia $1,000 in the last week before the November election. Juan accepts his promise. Juan must report the pledge on his July 15 report. Juan must also report a political contribution when the pledge is actually received. *(Note: If Juan receives the pledge during the July semiannual reporting period then he does not report the*
pledge and only reports a political contribution. Also, if he never receives the $1,000, he does not amend his report to delete the entry for the pledge.)

**Example 2:** At a party, an acquaintance says to Juan, “I’d like to give you some money; call me at my office.” Juan agrees to call. At this point, Juan has accepted nothing and has nothing to report. Juan has not agreed to accept money; he has merely agreed to call.

**LOANS**

Loans made for campaign or officeholder purposes are reportable. A filer must report the amount of a loan, the date the loan is made, the interest rate, the maturity date, the type of collateral, and the name and address of the lender. The filer must also report the name, address, principal occupation, and employer of any guarantor and the amount guaranteed by the guarantor. (Detailed information is not required if a particular lender lent $50 or less during a reporting period.) If a candidate or officeholder deposits personal funds in an account in which political contributions are held as permitted by section 253.0351(c) of the Election Code, the deposited amount must be reported as a loan. See “Campaign Expenditures from Personal Funds” in this guide for additional information. **Note:** A loan from an incorporated financial institution that has been in business for more than one year is not a contribution. Other loans are considered to be contributions. This distinction is important because of the prohibition on contributions from banks and certain other financial institutions. See “Campaign Finance Restrictions” in this guide. All loans are reported on the same schedule, regardless of whether they are contributions. Additionally, the forgiveness of a loan is a reportable in-kind contribution. See Ethics Commission Rules § 20.64.

**CONTRIBUTIONS OF PERSONAL SERVICES**

A political contribution consisting of an individual's personal services is not required to be reported if the individual receives no compensation from any source for the services.

**CONTRIBUTIONS OF PERSONAL TRAVEL**

A political contribution consisting of personal travel expense incurred by an individual is not required to be reported if the individual receives no reimbursement for the expense.

**CONTRIBUTIONS FROM OUT-OF-STATE POLITICAL COMMITTEES**

There are restrictions on contributions from out-of-state political committees. The fact that a political committee has a mailing address outside of Texas does not mean that the committee is an out-of-state political committee for purposes of these restrictions. A political committee that has a campaign treasurer appointment on file in Texas is not an out-of-state political committee for purposes of these restrictions.

**Contributions over $500 in a reporting period.** Before accepting more than $500 in a reporting period from an out-of-state committee, a candidate or officeholder must obtain either (1) a written statement, certified by an officer of the out-of-state political committee, listing the full name and address of each person who contributed more than $100 to the out-of-state political committee during the 12 months immediately preceding the contribution, or (2) a copy of the out-of-state
political committee's statement of organization filed as required by law with the Federal Election Commission and certified by an officer of the out-of-state committee.

This documentation must be included with the report of contributions and expenditures for the period in which the contribution was received.

**Contributions of $500 or less in a reporting period.** For a contribution of $500 or less from an out-of-state committee in a reporting period, there is no requirement to obtain documentation before accepting the contribution. But there is a requirement to include certain documentation with the report of the contribution. The report must include either (1) a copy of the out-of-state political committee’s statement of organization filed as required by law with the Federal Election Commission and certified by an officer of the out-of-state committee, or (2) the committee’s name, address, and phone number; the name of the person appointing the committee’s campaign treasurer; and the name, address, and phone number of the committee’s campaign treasurer.

**EXPENDITURES**

A filer must report any campaign expenditure (regardless of whether it is made from political contributions or from personal funds) and any political expenditure (campaign or officeholder) from political contributions (regardless of whether the expenditure is a political expenditure). A filer must also report unpaid incurred obligations. See “Unpaid Incurred Obligations” in this guide. If the total expenditures to a particular payee do not exceed $100 during the reporting period, a filer may report those expenditures as part of a lump sum. Otherwise, a filer must report the date of an expenditure, the name and address of the person to whom the expenditure is made, and the purpose of the expenditure.

**UNPAID INCURRED OBLIGATIONS**

An expenditure that is not paid during the reporting period in which the obligation to pay the expenditure is incurred shall be reported on the Unpaid Incurred Obligations Schedule for the reporting period in which the obligation to pay is incurred.

The use of political contributions to pay an expenditure previously disclosed on an Unpaid Incurred Obligations Schedule shall be reported on the appropriate disbursements schedule for the reporting period in which the payment is made.

The use of personal funds to pay an expenditure previously disclosed on an Unpaid Incurred Obligations Schedule shall be reported on the Political Expenditure Made from Personal Funds Schedule for the reporting period in which the payment is made.

**EXPENDITURES MADE BY CREDIT CARD**

An expenditure made by a credit card must be reported on the Expenditures Made to Credit Card Schedule for the reporting period in which the expenditure is made. The report must identify the vendor who receives the payment from the credit card company.

The use of political contributions to make a payment to a credit card company must be reported on the appropriate disbursements schedule for the reporting period in which the payment is made and
identify the credit card company receiving the payment.

The use of personal funds to make a payment to a credit card company must be reported on the Political Expenditure Made from Personal Funds Schedule for the reporting period in which the payment is made and identify the credit card company receiving the payment.

CAMPAIGN EXPENDITURES FROM PERSONAL FUNDS

A candidate must report all campaign expenditures, whether made from political contributions or from personal funds. In order to use political contributions to reimburse himself or herself for campaign expenditures from personal funds, the candidate must properly report the expenditures either on the reporting schedule for loans or on the reporting schedule for political expenditures from personal funds. If the candidate does not indicate the intention to seek reimbursement on that report, he or she may not later correct the report to permit reimbursement.

If a candidate or officeholder deposits personal funds in an account in which political contributions are held as permitted by section 253.0351(c) of the Election Code, the deposited amount must be reported as a loan on Schedule E. Political expenditures made from that loan, and any subsequent expenditures to reimburse the candidate or officeholder, must be reported on Schedule F1. The reimbursement may not exceed the amount reported as a loan. Any unexpended funds from such a loan are required to be included in the total amount of political contributions maintained as of the last day of the reporting period. Note: Personal funds deposited in an account in which political contributions are held are subject to the personal use restrictions.

OFFICEHOLDER EXPENDITURES FROM PERSONAL FUNDS

An officeholder is not required to report officeholder expenditures made from personal funds unless he or she intends to be reimbursed from political contributions. This rule applies regardless of whether an officeholder has an appointment of campaign treasurer on file.

In order for an officeholder to use political contributions to reimburse an officeholder expenditure from personal funds, the officeholder must properly report the expenditures either on the reporting schedule for loans or on the reporting schedule for political expenditures from personal funds. If the officeholder does not indicate the intention to seek reimbursement, he or she may not later correct the report to permit reimbursement.

If a candidate or officeholder deposits personal funds in an account in which political contributions are held as permitted by section 253.0351(c) of the Election Code, the deposited amount must be reported as a loan on Schedule E. Political expenditures made from that loan, and any subsequent expenditures to reimburse the candidate or officeholder, must be reported on Schedule F1. The reimbursement may not exceed the amount reported as a loan. Any unexpended funds from such a loan are required to be included in the total amount of political contributions maintained as of the last day of the reporting period. Note: Personal funds deposited in an account in which political contributions are held are subject to the personal use restrictions.
DIRECT EXPENDITURES

A direct campaign expenditure is “a campaign expenditure that does not constitute a campaign contribution by the person making the expenditure.” As a practical matter, a direct campaign expenditure is an expenditure to support a candidate incurred without the candidate’s prior consent or approval.

If a candidate or officeholder makes a direct campaign expenditure to support another candidate or officeholder, the expenditure must be included on the reporting schedule for political expenditures, and the report must indicate that the expenditure was a direct campaign expenditure.

SUPPORTING POLITICAL COMMITTEES

A political committee that accepts political contributions or makes political contributions on behalf of a candidate or officeholder is required to give the candidate or officeholder notice of that fact. The candidate or officeholder must report the receipt of such a notice on the report covering the period in which he or she receives the notice.

PAYMENTS TO A BUSINESS OF THE CANDIDATE OR OFFICEHOLDER

A candidate or officeholder is required to report payments from political funds to a business in which the candidate or officeholder has a participating interest of more than 10 percent; a position on the governing body of the business; or a position as an officer of a business.

A candidate or officeholder may not make a payment to such a business if the payment is for personal services rendered by the candidate or officeholder or by the spouse or dependent child of the candidate or officeholder. (Nor may a candidate or officeholder use political contributions to pay directly for such personal services.) Other payments to such a business are permissible only if the payment does not exceed the amount necessary to reimburse the business for actual expenditures made by the business. See generally Ethics Advisory Opinion No. 35 (1992).

A candidate or officeholder may not make or authorize a payment from political funds for the rental or purchase of real property from such a business. See “Use of Political Funds to Rent or Purchase Real Property” in this guide.

INTEREST EARNED AND OTHER CREDITS/GAINS/REFUNDS

For reports due on or after September 28, 2011, a candidate or officeholder is required to disclose information regarding the following types of activity from political contributions:

- any credit, interest, rebate, refund, reimbursement, or return of a deposit fee resulting from the use of a political contribution or an asset purchased with a political contribution, the amount of which exceeds $100;

- any proceeds of the sale of an asset purchased with a political contribution, the amount of which exceeds $100; and
any other gain from a political contribution, the amount of which exceeds $100.

A candidate or officeholder must use Schedule K to report such information. Although you are not required to do so, you may also report any credit/gain/refund or interest that does not exceed $100 in the period on this schedule. (Previously, this was an optional schedule because a candidate or officeholder was not required to report this information.) A candidate or officeholder may not use interest and other income from political contributions for personal purposes. Political expenditures made from such income must be reported on the expenditures schedule.

PURCHASE OF INVESTMENTS

A candidate or officeholder must report any investment purchased with a political contribution, the amount of which exceeds $100. This information must be disclosed on Schedule F3 of the campaign finance report.

TOTAL POLITICAL CONTRIBUTIONS MAINTAINED

The law requires you to disclose the total amount of political contributions accepted, including interest or other income on those contributions, maintained in one or more accounts in which political contributions are deposited as of the last day of the reporting period. The “total amount of political contributions maintained” includes: the total amount of political contributions maintained in one or more accounts, including the balance on deposit in banks, savings and loan institutions and other depository institutions; the present value of any investments that can be readily converted to cash, such as certificates of deposit, money market accounts, stocks, bonds, treasury bills, etc.; and the balance of political contributions accepted and held in any online fundraising account over which the filer can exercise control by making a withdrawal, expenditure, or transfer. 1 T.A.C. § 20.50.

The total amount of political contributions maintained does NOT include personal funds that the filer intends to use for political expenditures, unless the personal funds have been disclosed as a loan to your campaign and deposited into an account in which political contributions are held as permitted by section 253.0351(c) of the Election Code. Any unexpended funds from such a loan are required to be included in the total amount of political contributions maintained as of the last day of the reporting period. Note: Personal funds deposited in an account in which political contributions are held are subject to the personal use restrictions.

TIME OF ACCEPTING CONTRIBUTION

A filer must report the date he or she accepts a political contribution. The date of receipt may be different from the date of acceptance. See “Accepting Contributions” in this guide.

TIME OF MAKING EXPENDITURE

For reporting purposes, an expenditure is made when the amount of the expenditure is readily determinable. An expenditure that is not paid during the reporting period in which the obligation to pay is incurred must be reported on the reporting schedule for “Unpaid Incurred Obligations,” and then reported again on the appropriate expenditure schedule when payment is actually made. If a filer cannot determine the amount of an expenditure until a periodic bill, the date of the expenditure is the date the bill is received.
Credit Card Expenditures. For purposes of 30 day and 8 day pre-election reports, the date of an expenditure made by a credit card is the date of the purchase, not the date of the credit card bill. For purposes of other reports, the date of an expenditure made by a credit card is the date of receipt of the credit card statement that includes the expenditure. For additional information regarding how to report expenditures made by credit card, see “Expenditures Made by Credit Card” in this guide.

PREPARING REPORTS

FORMS

Reporting forms are available at http://www.ethics.state.tx.us on the Internet. An individual who is both a candidate and an officeholder files one report for each reporting period and is not required to distinguish between campaign activity and officeholder activity.

SIGNATURE REQUIRED

The candidate or officeholder, not the campaign treasurer, must sign reports.

FILING DEADLINES

The next section of this guide explains the types of reports candidates and officeholders are required to file. Annual filing schedules are available at http://www.ethics.state.tx.us on the Internet.

Note: Deadlines for filing reports for special elections or runoff elections will not be listed on the filing schedule. Call the Ethics Commission for specific information in these cases.

PERIODS COVERED BY REPORTS

Each report covers activity during a specific time period. Generally, a report begins where the last report ended. For a candidate’s first report, the beginning date will be the date the campaign treasurer appointment was filed. For an officeholder who is appointed to an elective office and who did not have a campaign treasurer appointment on file at the time of the appointment, the beginning date for the first report will be the date the officeholder took office. Generally, there should not be gaps between the periods covered or overlapping time periods. See “Reports” below for information about filing deadlines and periods covered by reports.

DEADLINE ON WEEKEND OR HOLIDAY

If the due date for a report falls on a Saturday, Sunday, or legal holiday, the report is due on the next regular business day.

5 P.M. DEADLINE

The deadline for filing a report is 5 p.m. on the due date.
DEVELOPMENT BY MAIL OR OTHER CARRIER

For most reporting deadlines, a document is considered timely filed if it is properly addressed with postage or handling charges prepaid and bears a postmark or receipt mark of a common or contract carrier indicating a time on or before the deadline.

Pre-Election Reports. A report due 30 days before an election and a report due 8 days before an election must be received by the appropriate filing authority no later than the report due date to be considered filed on time.

RETENTION OF RECORDS USED FOR REPORTS

A filer must keep records of all information used to prepare a report of contributions and expenditures, including, for example, receipts or ledgers of contributions and expenditures. A filer must maintain the records for two years after the deadline for the report.

REPORTS

SEMIANNUAL REPORTS

Generally, candidates and officeholders are required to file reports of contributions and expenditures by January 15 and July 15 of each year. The reports filed on these dates are known as semiannual reports. These reports must be filed even if there is no activity to report for the period covered.

However, there is an exception to this requirement for officeholders who file with a local filing authority, do not have a campaign treasurer appointment on file, and do not accept more than $500 in officeholder contributions or make more than $500 in officeholder expenditures during the period covered by the report.

REPORTS DUE 30 DAYS AND 8 DAYS BEFORE AN ELECTION

An opposed candidate in an upcoming election must file reports of contributions and expenditures 30 days and 8 days before the election. Each of these pre-election reports must be received by the appropriate filing authority no later than the report due date. (A person who has elected modified reporting and who remains eligible for modified reporting is not required to file these reports. See “Modified Reporting” in this guide.)

An opposed candidate is a candidate who has an opponent whose name is printed on the ballot. If a candidate’s only opposition is a write-in candidate, that candidate is considered unopposed for filing purposes. (Note: A write-in candidate who accepts political contributions or makes political expenditures is subject to the reporting requirements discussed in this guide.)

The report that is due 30 days before the election covers the period that begins on the first day after the period covered by the last required report and ends the 40th day before the election. If this is a filer’s first required report, the period covered by the report begins on the day the filer filed a campaign treasurer appointment.

The report that is due 8 days before the election covers the period that begins on the first day after the period covered by the last required report and ends on the 10th day before the election.
REPORT DUE 8 DAYS BEFORE A RUNOFF ELECTION

A candidate in a runoff must file a report 8 days before the runoff election. A runoff report must be received by the appropriate filing authority no later than the report due date. (A candidate who has elected modified reporting and who remains eligible for modified reporting is not required to file this report. See “Modified Reporting” below.)

This report covers a period that begins either the first day after the period covered by the last required report or the day the filer filed a campaign treasurer appointment (if this is the filer’s first report of contributions and expenditures). The period covered by the runoff report ends the 10th day before the runoff election.

MODIFIED REPORTING

On the campaign treasurer appointment form, there is an option to choose modified reporting for the next election cycle. Modified reporting excuses an opposed candidate from filing reports 30 days and 8 days before an election and 8 days before a runoff. An opposed candidate is eligible for modified reporting only if the candidate does not intend to exceed either $500 in contributions or $500 in expenditures (excluding filing fees) in connection with an election.

If an opposed candidate selects modified reporting but exceeds a threshold before the 30th day before the election, the candidate must file reports 30 days and 8 days before the election.

If an opposed candidate selects modified reporting but exceeds the $500 threshold for contributions or expenditures after the 30th day before the election, the filer must file a report within 48 hours of exceeding the threshold. (The filer must meet this deadline even if it falls on a weekend or a holiday.) At that point, the filer is no longer eligible for modified reporting and must file according to the regular filing schedule.

A selection to file on the modified reporting schedule lasts for an entire election cycle. In other words, the selection is valid for a primary, a primary runoff, and a general election (as long as the candidate does not exceed one of the $500 thresholds). A candidate must submit an amended campaign treasurer appointment (FORM ACTA) to select modified reporting for a different election cycle.

“15TH DAY AFTER APPOINTMENT OF CAMPAIGN TREASURER BY AN OFFICEHOLDER” REPORT

An officeholder must file a report after filing a campaign treasurer appointment. (A report is not required after a change in campaign treasurers.) This report of contributions and expenditures is due no later than 15 days after the campaign treasurer appointment was filed. The report must cover the period that begins the day after the period covered by the last required report. The period ends on the day before the campaign treasurer appointment was filed. (Note: A person who is appointed to elective office may not have filed any previous reports. In that case, the beginning date for the report due 15 days after the campaign treasurer appointment is the date the officeholder took office.) The report is not required if the officeholder did not accept more than $500 in contributions or make more than $500 in expenditures by the end of the reporting period.
FINAL REPORT

See “Ending Filing Obligations” below.

ANNUAL REPORT OF UNEXPENDED CONTRIBUTIONS

See “Ending Filing Obligations” below.

FINAL DISPOSITION OF UNEXPENDED CONTRIBUTIONS REPORT

See “Ending Filing Obligations” below.

Things to Remember

- An officeholder must file semiannual reports for any period during which he or she is an officeholder. (There is an exception to this rule for officeholders who do not have a campaign treasurer appointment on file and who do not accept more than $500 in political contributions or make more than $500 in political expenditures during the period covered by the report.)

- An opposed candidate in an election must file reports of contributions and expenditures 30 days and 8 days before the election, unless the candidate has selected (and remains eligible for) modified reporting. An opposed candidate who has not selected modified reporting must also file a report 8 days before a runoff election. A report due 30 days before an election and a report due 8 days before an election must be received by the appropriate filing authority no later than the report due date.

- An unopposed candidate is not required to file reports 30 days before an election or 8 days before an election but is required to file semiannual reports.

- A candidate who selects modified reporting must file semiannual reports.

- A filer who selects modified reporting for one election cycle will be required to file on the regular reporting schedule for the next election cycle unless the filer submits an amended campaign treasurer appointment selecting modified reporting for the next election cycle.

ENDING FILING OBLIGATIONS

FINAL REPORT

If a filer expects to accept no further political contributions and to make no further political expenditures and if the filer expects to take no further action to get elected to a public office, the filer may file a final report. Filing a final report terminates a filer’s campaign treasurer appointment and relieves the filer from any additional filing obligations as a candidate. (Note: A candidate who does not have a campaign treasurer appointment on file may still be required to file a personal financial statement in accordance with chapter 572 of the Government Code or chapter 159 of the Local...
Government Code.) If the filer is an officeholder, the filer will still be subject to the filing requirements applicable to officeholders. A filer who is not an officeholder at the time of filing a final report and who has surplus political funds or assets will be required to file annual reports of unexpended contributions and a report of final disposition of unexpended contributions. See “Annual Report of Unexpended Contributions” and “Report of Final Disposition of Unexpended Contributions” below.

A filer who intends to continue accepting contributions to pay campaign debts should not terminate his or her campaign treasurer appointment. An individual must have a campaign treasurer appointment on file to accept contributions to offset campaign debts or to pay campaign debts.

Terminating a campaign treasurer appointment does not relieve a filer of responsibility for any delinquent reports or outstanding civil penalties.

ANNUAL REPORT OF UNEXPENDED CONTRIBUTIONS

The following individuals must file annual reports of unexpended contributions:

- a former officeholder who did not have a campaign treasurer appointment on file at the time of leaving office and who retained any of the following after filing his or her last report: political contributions, interest or other income from political contributions, or assets purchased with political contributions or interest or other income from political contributions.

- a former candidate (a person who previously had a campaign treasurer appointment on file) who was not an officeholder at the time of filing a final report and who retained any of the following at the time of filing a final report: political contributions, interest or other income from political contributions, or assets purchased with political contributions.

Annual reports are due not earlier than January 1 and not later than January 15 of each year. An annual report (FORM C/OH-UC) must contain the following information: (1) information about expenditures from or disposition of surplus funds or assets; (2) the amount of interest or other income earned on surplus funds during the previous year; and (3) the total amount of surplus funds and assets at the end of the previous year.

The obligation to file annual reports ends when the former candidate or officeholder files a report of final disposition of unexpended contributions.

REPORT OF FINAL DISPOSITION OF UNEXPENDED CONTRIBUTIONS

A former candidate or former officeholder who has disposed of all surplus funds and assets must file a report of final disposition of unexpended contributions. This report may be filed as soon as all funds have been disposed of.

A former candidate or former officeholder has six years from the date of filing a final report or leaving office (whichever is later) to dispose of surplus funds and assets. The latest possible date for filing a report of unexpended contributions is 30 days after the end of that six-year period.
At the end of the six-year period, a former candidate or officeholder must dispose of surplus assets or funds in one of the following ways:

- The former candidate or officeholder may give them to the political party with which he or she was affiliated when last on the ballot;
- The former candidate or officeholder may contribute them to a candidate or a political committee. (This triggers a requirement to file a report of the contribution.);
- The former candidate or officeholder may give them to the comptroller for deposit in the state treasury to be used to finance primary elections;
- The former candidate or officeholder may give them to one or more contributors, but the total returned to any person may not exceed the aggregate amount accepted from that person during the last two years during which the former candidate or officeholder accepted political contributions;
- The former candidate or officeholder may give them to certain charitable organizations; or
- The former candidate or officeholder may give them to a public or private post-secondary educational institution or an institution of higher education as defined by section 61.003(8), Education Code, for the purpose of assisting or creating a scholarship program.

Things to Remember

- Anyone who has an appointment of campaign treasurer on file must file periodic reports of campaign contributions and expenditures.
- An individual who expects no further reportable activity in connection with his or her candidacy, files a final report and thereby terminates his or her campaign treasurer appointment. (Note: A candidate who does not have a campaign treasurer appointment on file may still be required to file a personal financial statement in accordance with chapter 572 of the Government Code or chapter 159 of the Local Government Code.)
- An officeholder may be required to file semiannual reports even if he or she does not have a campaign treasurer appointment on file. A local officeholder who has not accepted more than $500 in contributions or made more than $500 in expenditures in a semiannual period since terminating his or her campaign treasurer appointment is not required to file a semiannual report for that period.

PENALTIES FOR REPORTING VIOLATIONS

Any citizen may file a criminal complaint with the district attorney, a civil complaint with the Ethics Commission, or a civil action against a candidate or officeholder for violations of title 15. Any penalty stemming from such complaints would be assessed against the candidate or officeholder, not the campaign treasurer.
CAMPAIGN FINANCE RESTRICTIONS

Chapter 253 of the Election Code contains a number of restrictions regarding the acceptance and use of political contributions, including the following:

1. An individual may not accept a campaign contribution or make a campaign expenditure (including a campaign expenditure from personal funds) without a campaign treasurer appointment on file. Elec. Code § 253.031. An officeholder may accept officeholder contributions and make officeholder expenditures regardless of whether he or she has a campaign treasurer appointment on file.

2. Political contributions from labor organizations and from most corporations are prohibited. Elec. Code § 253.091, *et seq.* Partnerships that include one or more corporate partners are subject to the prohibition.

4. Cash contributions of more than $100 in the aggregate from one contributor in a reporting period are prohibited. (Here “cash” means coins and currency, not checks.) Elec. Code § 253.033.

5. The use of political contributions to purchase real property is prohibited. There is also a restriction on the use of political funds to rent or purchase real property from a person related to the candidate or officeholder within the second degree of consanguinity or affinity or from a business in which the candidate or officeholder or such a relative has a participating interest of more than 10 percent, holds a position on the governing body, or serves as an officer. Elec. Code § 253.038.

6. Texas law does not allow anonymous contributions. Also, reports must disclose the actual source of a contribution, not an intermediary. Elec. Code § 253.001.

8. A candidate or officeholder may not use political contributions to pay for personal services rendered by the candidate or officeholder or by the spouse, or dependent children of the candidate or officeholder. There are also restrictions of a candidate’s or officeholder’s use of political contributions to make payments to a business in which the candidate or officeholder holds a participating interest of more than 10 percent, a position on the governing body of the business, or a position as an officer of the business. See Ethics Advisory Opinion No. 35 (1992) (regarding the combined effect of this prohibition and the prohibition on corporate contributions). Elec. Code § 253.041.

There are restrictions on the use of political contributions to reimburse political expenditures from personal funds. See “Reimbursement for Political Expenditures from Personal Funds,” in this guide.
9. A candidate, officeholder, or political committee may not accept political contributions in the Capitol or in the Capitol Extension. Effective September 1, 2009, a candidate, officeholder, or political committee also may not accept political contributions in a courthouse. “Courthouse” means any building owned by the state, a county, or a municipality, or an office or part of a building leased to the state, a county, or a municipality, in which a justice or judge sits to conduct court proceedings. Elec. Code § 253.039.

10. Federal law generally prohibits the acceptance of contributions from foreign sources. Contact the Federal Election Commission for more detailed information.

GENERAL INSTRUCTIONS

These general instructions apply to all forms required to be filed under title 15, Texas Election Code.

ELECTRONIC FILING

All persons filing campaign finance reports with the Texas Ethics Commission (Commission) are required to file those reports electronically unless the person is eligible to claim an exemption. Please check the Commission’s website at https://www.ethics.state.tx.us for information about exemptions from the electronic filing requirement.

FILLING OUT THE FORMS

All reports filed on paper must be either handwritten in ink or typewritten. If you complete the report by hand, please print everything other than your signature.

If you are filing with the Commission, you may use your own computer-generated form if it provides for disclosure of all the information required on the Commission’s form and if it is substantially identical in paper size, color, layout, and format. A substitute form that is substantially identical to the Commission’s prescribed form may be submitted for pre-approval by the Commission’s executive director.

Always file the cover sheet of the campaign finance report form. You need to file only those schedules on which you have information to report.

You must keep an exact copy of each report filed and all records necessary to complete the report for at least two (2) years after the deadline for filing the report.

If you have questions, please call our office at (512) 463-5800.

TEXAS ETHICS COMMISSION GUIDES

The Commission publishes a Campaign Finance Guide for each type of filer. These guides are designed to explain your responsibilities as a filer. The Commission encourages you to read the appropriate guide before you begin accepting political contributions or making or authorizing political expenditures.

PHOTOCOPIES OF FORMS

You may use photocopies of Commission forms. For example, if the space provided on Schedule A1 is insufficient, you may make copies of a blank Schedule A1 form and attach more pages as needed.
FILING DATE

For most reporting deadlines, a document is considered timely filed if it is properly addressed with postage or handling charges prepaid and bears a postmark or receipt mark of a common or contract carrier indicating a time on or before the deadline.

Pre-Election Reports: A report due 30 days before an election and a report due 8 days before an election must be received by the appropriate filing authority no later than the report due date.

If you are filing with the Commission, please address your reports and correspondence to the Texas Ethics Commission, P.O. Box 12070, Austin, Texas 78711-2070. For hand-deliveries, the Commission’s street address is 201 East 14th Street, Sam Houston Building, 10th Floor, Austin, Texas 78701.

If the due date for a report falls on a Saturday, Sunday, or legal holiday, the report is due on the next regular business day.
FORM C/OH: CANDIDATE/OFFICEHOLDER CAMPAIGN FINANCE REPORT

These instructions are for the CANDIDATE/OFFICEHOLDER CAMPAIGN FINANCE REPORT (Form C/OH). A complete report includes the Form C/OH cover sheet, and any of the following schedules on which there is information to report: A1, A2, B, E, F1, F2, F3, F4, G, H, I, K, and T. A complete Final Report must also include Form C/OH-FR.

Note: Judicial candidates and officeholders must use a different form, Form JC/OH.

GENERAL INFORMATION

Use Form C/OH for filing the following reports:

- Semiannual reports (January 15 and July 15)
- Pre-election reports (30th day before election, 8th day before election)
- Runoff report (8th day before runoff election)
- Exceeded $500 limit report
- 15th day after officeholder campaign treasurer appointment
- Final Report

See the instructions for sections 9 and 10 of the Cover Sheet for help in deciding which reports you are required to file.

OFFICEHOLDER ACTIVITY

An officeholder may make officeholder expenditures and accept officeholder contributions without having a campaign treasurer appointment on file. However, an officeholder must have a campaign treasurer appointment on file before the officeholder may make campaign expenditures or accept campaign contributions.

DUTIES OF CANDIDATE OR OFFICEHOLDER

As a candidate or officeholder, you alone, not the campaign treasurer, are responsible for filing this form. Failing to file a report on time or filing an incomplete report may subject you to criminal or civil penalties.

DUTIES OF CAMPAIGN TREASURER

State law does not impose any reporting or record-keeping obligations on a candidate’s campaign treasurer.

WHERE TO FILE

This form is filed with the same filing authority with which you were required to file your Campaign Treasurer Appointment (Form CTA). If you are an officeholder who does not have a campaign treasurer appointment on file, file your reports with the same authority with which a candidate for your office must file the campaign treasurer appointment.
FILING A FINAL REPORT

For filing purposes, you are a “candidate” as long as you have an appointment of campaign treasurer on file. If you do not expect to accept any further campaign contributions or to make any further campaign expenditures, you may file a Final Report of contributions and expenditures. A Final Report terminates your appointment of campaign treasurer and relieves you of the obligation of filing further reports as a candidate. If you are an officeholder at the time of filing a Final Report, you may be required to file semiannual reports of contributions and expenditures as an officeholder. The only officeholders who are not required to file semiannual reports are officeholders who file locally, who do not have a campaign treasurer appointment on file, and who do not exceed $500 in contributions or expenditures during the reporting period.

If you are not an officeholder at the time of filing a Final Report and if you have surplus funds or retain assets purchased with political funds, you will be required to file annual reports of Unexpended Contributions. (See instructions for Form C/Oh-UC.)

To file a Final Report, you must complete the “C/Oh CAMPAIGN FINANCE REPORT” (Form C/Oh), check the “final” box in section 9 on the Cover Sheet, and complete and attach the “C/Oh REPORT: DESIGNATION OF FINAL REPORT” (Form C/Oh- FR).
COMPLETING THE COVER SHEET

Each numbered item in these instructions corresponds to the same numbered item on the form.

PAGE 1

1. **FILER ID:** If you are filing with the Commission, you were assigned a filer identification number when you filed your initial campaign treasurer appointment. You should have received a letter acknowledging receipt of the form and informing you of your Filer ID. Enter this number wherever you see “FILER ID.” If you do not file with the Commission, you are not required to enter a Filer ID.

2. **TOTAL PAGES FILED:** After you have completed the form, count the total number of pages of this form and any attached schedules. Enter that number where indicated on the top line of page 1 only. Each side of a two-sided form counts as one page.

3. **CANDIDATE/OFFICEHOLDER NAME:** Enter your full name, including nicknames and suffixes (e.g., Sr., Jr., III), if applicable.

4. **CANDIDATE/OFFICEHOLDER MAILING ADDRESS:** Enter your complete mailing address. If your mailing address has changed since you last gave notice of your address, check the “Change of Address” box.

5. **CANDIDATE/OFFICEHOLDER PHONE:** Enter your phone number including the area code, and your extension, if applicable.

   Sections 6 - 8 pertain to a candidate’s campaign treasurer. *If you are an officeholder who does not have a campaign treasurer appointment on file, skip these sections.*

7. **CAMPAIGN TREASURER ADDRESS:** Enter the complete address of your campaign treasurer.

8. **CAMPAIGN TREASURER PHONE:** Enter the phone number of your campaign treasurer including the area code, and the extension, if applicable.

9. **REPORT TYPE:** Check the box that describes the type of report you are filing, according to the descriptions below. See the instructions for section 10 for the periods covered by each type of report.

   **January 15 Report:** All candidates and most officeholders must file a semiannual report by January 15. The only officeholders who are not required to file this report are officeholders who file locally, who do not have a campaign treasurer appointment on file, **and** who do not exceed $500 in contributions or expenditures during the reporting period.
All candidates and officeholders who file with the Commission must file this report by midnight Central Time on the January 15 report due date. All candidates and officeholders who file locally must file this report by 5 p.m. on the January 15 report due date.

Note: Anyone who has a campaign treasurer appointment (Form CTA) on file must file semiannual reports, even after an election has ended and even if the filer lost the election. To end this semiannual filing requirement, the filer must cease campaign activity and file a Final Report. (See “Final Report” below for more information.)

**July 15 Report:** All candidates and most officeholders must file a semiannual report by July 15. The only officeholders who are not required to file this report are officeholders who file locally, who do not have a campaign treasurer appointment on file, and who do not exceed $500 in contributions or expenditures during the reporting period.

See “January 15 Report” above for more information on filing requirements and deadlines for semiannual reports.

**30th Day Before Election Report:** Opposed candidates in an election who did not choose the modified reporting schedule must file this pre-election report. If an opposed candidate chose modified reporting, but then exceeded a threshold before the 30th day before the election, the candidate must file this report.

The report is due no later than 30 days before the election. For all candidates and officeholders who file with the Commission, this report must be received by the Commission no later than midnight Central Time on the report due date. For all candidates and officeholders who file locally, this report must be received by the filing authority no later than 5 p.m. on the report due date.

You are an "opposed" candidate if you have an opponent, including a minor party candidate, whose name is printed on the ballot. If your only opposition is a write-in candidate, you are not considered opposed for filing purposes. If you are a write-in candidate, you are an "opposed" candidate subject to the reporting requirements if you accept political contributions or make political expenditures. Candidates who are unopposed in an election are not required to file pre-election reports for that election.

**8th Day Before Election Report:** Opposed candidates in an election who did not choose the modified reporting schedule must file this pre-election report. If an opposed candidate chose modified reporting but then exceeded a threshold before the 8th day before the election, the candidate must file this report.

The report is due no later than 8 days before the election. For all candidates and officeholders who file with the Commission, this report must be received by the Commission no later than midnight Central Time on the report due date. For all candidates and officeholders who file locally, this report must be received by the filing authority no later than 5 p.m. on the report due date.

See “30th Day Before Election Report” above for the definition of an opposed candidate.
Runoff Report: Opposed candidates who are participating in a runoff election and who did not choose the modified reporting schedule must file this runoff report. The report is due no later than 8 days before the runoff election. For all candidates and officeholders who file with Commission, this report must be received by the Commission no later than midnight Central Time on the report due date. For all candidates and officeholders who file locally, this report must be received by the filing authority no later than 5 p.m. on the report due date.

See “30th Day Before Election Report” above for the definition of an opposed candidate.

Exceeded $500 Limit Report: Candidates who chose to file under the modified reporting schedule but then, after the 30th day before the election, exceeded $500 in contributions or $500 in expenditures in connection with the election must file this Exceeded $500 Limit report within 48 hours after exceeding the $500 limit. The candidate must meet this deadline even if it falls on a weekend or a holiday.

15th Day After Campaign Treasurer Appointment Report (Officeholders Only): An officeholder must file this report if he or she appoints a campaign treasurer after a period of not having a campaign treasurer appointment (Form CTA) on file. For all officeholders who file with Commission, this report is due no later than midnight Central Time on the 15th day after an officeholder files Form CTA with the Commission. For all officeholders who file locally, this report is due no later than 5 p.m. on the 15th day after an officeholder files Form CTA with the filing authority. It is not required of officeholders who are merely changing their campaign treasurer. It is not required of an officeholder who files locally if the officeholder did not exceed $500 in either contributions or expenditures during the period covered by the report. Candidates who are not officeholders do not file this report.

Final Report: A person who has a campaign treasurer appointment on file may file this report when he or she does not expect to accept any further campaign contributions or make or authorize any further campaign expenditures. There is not a fixed deadline for this report. This report must have a completed “C/OH REPORT: DESIGNATION OF FINAL REPORT” (Form C/OH-FR) attached.

A candidate must have a CTA on file to accept campaign contributions or make campaign expenditures, including contributions intended to offset campaign debts or expenditures made to pay campaign debts. A candidate who intends to continue campaign activity should not file a Final Report.

A Final Report terminates a candidate’s CTA and relieves the candidate from any additional filing obligations as a candidate. Officeholders who file a Final Report will still be subject to the filing requirements applicable to officeholders. A person who is not an officeholder but who has surplus political funds or assets after filing a Final Report will be required to file annual Unexpended Contribution reports. (See “Form C/OH-FR: Designation of Final Report” for more information.) A candidate or officeholder who does not have a CTA on file may still be required to file a personal financial statement (PFS).

Filing a Final Report does not relieve a candidate of responsibility for any delinquent reports or outstanding civil penalties.
Daily Pre-Election Report of Contributions: A candidate or officeholder who files with the Commission may be required to file daily pre-election reports disclosing contributions during the period beginning the 9th day before an election and ending at 12 noon on the day before the election. This information can be disclosed on Form C/OH-T. For more information, please see the instructions for Form C/OH-T.

Legislative Special Session Report: A candidate or officeholder who files with the Commission and who accepts a political contribution during the period beginning on the date the governor signs the proclamation calling a special legislative session and continuing through the date of final adjournment is required to file a report after a special session of the legislature. This information can be disclosed on Form C/OH-SS. For more information, please see the instructions for Form C/OH-SS.

10. PERIOD COVERED: A reporting period includes the start date and the end date. The due date for filing will generally be after the end of the period. Generally, a report picks up where the last report left off, and there should be no gaps or overlapping periods. The exceptions are Daily Pre-election reports, which do create overlaps because you are required to report the activity twice.

First Reports: If this is the first report of contributions and expenditures that you have filed, the beginning date will depend on the date your campaign treasurer appointment (Form CTA) was filed or the date you took office.

- If you are a candidate (a person who has filed a Form CTA) and you are filing your first report, the start date will be the date your Form CTA was filed.

- If you are an officeholder who was appointed to an elective office and who did not have a Form CTA on file at the time of the appointment, the start date for your first report will be the date you took office.

January 15th Semiannual Report: The start date is July 1 of the previous year or the day after the last day covered by your last required report, whichever is later. If this is the first report you have filed, please see the “First Reports” section above. The end date is December 31 of the previous year.

July 15th Semiannual Report: The start date is January 1 or the day after the last day covered by your last required report, whichever is later. If this is the first report you have filed, please see the “First Reports” section above. The end date is June 30.

30th Day Before Election Report: The start date is the day after the last day covered by your last required report. If this is the first report you have filed, please see the “First Reports” section above. The end date is the 40th day before the election. This report is not required for unopposed candidates or candidates who are filing under the modified reporting schedule.

8th Day Before Election Report: The start date is the 39th day before the election if you filed a 30th Day Before Election Report. If you did not file the 30th Day Before Election
Report, the day after the last day covered by your last required report is the start date. If this is the first report you have filed, please see the “First Reports” section above. The end date is the 10th day before the election. This report is not required for unopposed candidates or candidates who are filing under the modified reporting schedule.

**Runoff Report:** The start date is the 9th day before the main election if you filed an 8th Day Before Election Report. Otherwise, the start date is the day after the last day covered by your last required report or the day you appointed a campaign treasurer, whichever is later. The end date is the 10th day before the runoff election. This report is not required for candidates who are filing under the modified reporting schedule.

**Exceeded $500 Limit Report:** The start date for the report is either the day you appointed your campaign treasurer or the day after the last day covered by your last required report, whichever is later. The end date is the day you exceeded the $500 limit for contributions or expenditures.

**15th Day After Campaign Treasurer Appointment Report (Officeholders Only):** The start date is either the day after the last day covered by your last required report or the day you began serving an appointment to elective office. The end date is the day before the campaign treasurer appointment was filed. This report is due no later than 15 days after the campaign treasurer appointment was filed.

**Final Report:** The start date is the day after the last day covered by your last required report. The end date is the day the final report is filed.

Do not include any contributions itemized on Schedules A1 or A2. Enter a “0” if you did not receive any unitemized contributions during the period covered.

On Schedules A1 and A2, you were required to itemize political contributions that totaled more than $50 from one person. You also had the option of itemizing contributions of $50 or less from one person. Do not include any itemized contributions in the total entered on line 1, regardless of amount.

Line 2- Total Political Contributions: Add the total contributions listed on Schedules A1 and A2 to the amount you entered on line 1. Enter that total on line 2. Enter a “0” if you did not receive any contributions during the period covered.

Line 3- Total Political Expenditures of $100 or Less, Unless Itemized: Enter the total of all unitemized political expenditures of $100 or less. Do not include any expenditures itemized on Schedules F1, F2, F3, F4, F5, F6, or F7. Enter a “0” if you did not make any unitemized expenditures during the period covered.

On Schedule F1, you were required to itemize political expenditures that totaled more than $100 to one payee. You also had the option of itemizing expenditures totaling $100 or less to one payee. Do not include any expenditures itemized on Schedule F1 in the total entered on line 3, regardless of amount.

**Line 4- Total Political Expenditures:** Add the following:

(c) the total political expenditures itemized on Schedule F4;
(d) the total political expenditures itemized on Schedule G;

Enter a “0” if you did not make any expenditures during the period covered.

**Line 5- Total Political Contributions Maintained:** Enter the total amount of political contributions, including interest or other income on those contributions, maintained as of the last day of the reporting period. Enter “0” if you do not maintain political contributions, including interest or other income on those contributions, as of the last day of the reporting period. This is different from the total contributions reported on line 2. Only contributions accepted during the period covered by the report are entered on line 2.

The law requires you to disclose the total amount of political contributions accepted, including interest or other income on those contributions, maintained in one or more accounts in which political contributions are deposited as of the last day of the reporting period.

The “total amount of political contributions maintained” includes the total amount of political contributions maintained in one or more accounts, including the balance on deposit in banks, savings and loan institutions and other depository institutions; the present value of any investments that can be readily converted to cash, such as
certificates of deposit, money market accounts, stocks, bonds, treasury bills, etc.; and the balance of political contributions accepted and held in any online fundraising account over which the filer can exercise control by making a withdrawal, expenditure, or transfer.

The total amount of political contributions maintained does not include personal funds that the filer intends to use for political expenditures, unless the personal funds have been disclosed as a loan to your campaign and deposited into an account in which political contributions are held as permitted by section 253.0351(c) of the Election Code. Any unexpended funds from such a loan are required to be included in the total amount of political contributions maintained as of the last day of the reporting period. Note: Personal funds deposited in an account in which political contributions are held are subject to the personal use restrictions.

**Line 6- Total Principal Amount of All Outstanding Loans:** Enter the aggregate outstanding principal amount of all loans accepted for campaign or officeholder purposes as of the last day of the reporting period. Enter a “0” if you did not accept any loans during the period covered and have no outstanding loans as of the last day of the reporting period. This is different from the information reported on Schedule E. This line must include outstanding principal of loans made in this reporting period as well as outstanding principal of loans made previously.

SCHEDULE A1: MONETARY POLITICAL CONTRIBUTIONS

These instructions are for candidates and officeholders using SCHEDULE A1: MONETARY POLITICAL CONTRIBUTIONS.

Use this schedule to disclose information about monetary campaign and officeholder contributions accepted during the reporting period. Do not enter on this schedule information on non-monetary, in-kind contributions, pledges, loans, or guarantees of loans. Once you actually receive pledged money, it must be reported on Schedule A1. (Report non-monetary, in-kind contributions on Schedule A2; report pledges on Schedule B; report loans and guarantees of loans on Schedule E.)

Itemization: You must enter incoming monetary contributions that exceed $50 from one person during a reporting period on this schedule. If you accepted two or more contributions from the same person, the total of which exceeds $50, enter each contribution separately. Although you are not required to do so, you may also report contributions from one person that do not exceed $50 in the period on this schedule. If you do not itemize contributions of $50 and less on this schedule, you must total all such contributions and report them on the Cover Sheet, page 2, section 17, line 1.

Each numbered item in these instructions corresponds to the same numbered item on the form.

1. TOTAL PAGES SCHEDULE A1: After you have completed Schedule A1, count the total number of pages. Each side of a two-sided form counts as one page.

2. FILER NAME: Enter your full name.

3. FILER ID: See instructions for Cover Sheet, page 1, section 1.

4. DATE: Enter the date you accepted the contribution. Accepting a contribution is different from receiving a contribution. You accept a contribution when you decide to accept it rather than reject it. This may or may not be the same day that you receive the contribution.

5. FULL NAME OF CONTRIBUTOR: Enter the full name of the contributor. If the contributor is an individual, enter the full first and last name, and suffix (Jr., III, etc.) if applicable. If the contributor is an entity, enter the full name of the entity.

“Out-of-State PAC” box: If the contributor is an out-of-state political committee, check the box. Certain restrictions apply to contributions from out-of-state PACS. The fact that a political committee has a mailing address outside of Texas does not mean that the committee is an out-of-state PAC for purposes of these restrictions. A political committee that has a campaign treasurer appointment on file in Texas is not an out-of-state PAC. A political committee that makes most of its political expenditures outside of Texas may be an out-of-state PAC. A political committee must determine if it is an out-of-state PAC.

If the contributor is an out-of-state political committee from which you accepted more than $500 in the reporting period (including pledges or loans from sources
other than financial institutions that have been in business for more than a year),
you must include one of the following with your report:

- a written statement, certified by an officer of the out-of-state political committee, listing the full name and address of each person who contributed more than $100 to the out-of-state political committee during the 12 months immediately preceding the contribution; or

- a copy of the out-of-state political committee’s statement of organization filed as required by law with the FEC and certified by an officer of the out-of-state committee.

If the contributor is an out-of-state political committee from which you accepted $500 or less (including pledges) during the reporting period, you must include one of the following with your report:

- a copy of the out-of-state political committee’s statement of organization filed as required by law with the FEC and certified by an officer of the out-of-state committee; or

- a document listing the committee’s name, address and phone number; the name of the person appointing the committee’s campaign treasurer; and the name, address and phone number of the committee’s campaign treasurer.

“ID #” Line (Electronic Filing Only): If you are filing your report electronically, you may enter in this field the out-of-state committee’s Federal Election Commission (FEC) identification number. If you do not have an FEC # for the out-of-state PAC or are not filing electronically with the Commission, you must provide other documentation as explained above.

6. CONTRIBUTOR ADDRESS: Enter the complete address of the contributor.

7. AMOUNT OF CONTRIBUTION: Enter the amount of the contribution.

8. PRINCIPAL OCCUPATION OR JOB TITLE: Candidates for and holders of statewide offices in the executive branch and candidates for and holders of legislative offices must disclose the principal occupation or job title of an individual from whom the candidate or officeholder has accepted contributions (including pledges) of $500 or more during the reporting period. In other circumstances, filers are not required to report this information but may do so.

9. EMPLOYER: Candidates for and holders of statewide offices in the executive branch and candidates for and holders of legislative offices must disclose the employer of an individual from whom the candidate or officeholder has accepted contributions (including pledges) of $500 or more during the reporting period. In other circumstances, filers are not required to report this information but may do so.
SCHEDULE A2: NON-MONETARY (IN-KIND) POLITICAL CONTRIBUTIONS

These instructions are for candidates and officeholders using SCHEDULE A2: NON-MONETARY (IN-KIND) POLITICAL CONTRIBUTIONS.

Use this schedule to disclose information about non-monetary, in-kind campaign and officeholder contributions received during the reporting period. An in-kind contribution is a contribution of goods, services, or any other thing of value other than money that is given to your campaign. You are not required to include contributions of an individual’s personal services or travel if the individual receives no compensation from any source for the services. Do not enter on this schedule information on monetary political contributions, pledges, loans, or guarantees of loans. Once you actually receive a pledged in-kind contribution, it must be reported on Schedule A2. (Report monetary contributions on Schedule A1; report pledges on Schedule B; report loans and guarantees of loans on Schedule E.)

Itemization: You must enter non-monetary (in-kind) contributions of goods, services, or other things of value that exceed $50 from one person during a reporting period on this schedule. If you accepted two or more non-monetary contributions from the same person, the total of which exceeds $50, enter each contribution separately. Although you are not required to do so, you may also report contributions from one person that do not exceed $50 in the period on this schedule. If you do not itemize contributions of $50 and less on this schedule, you must total all such contributions and report them on the Cover Sheet, page 2, section 17, line 1.

Each numbered item in these instructions corresponds to the same numbered item on the form.

5. DATE: See instructions for Schedule A1, section 4.

6. FULL NAME OF CONTRIBUTOR: See instructions for Schedule A1, section 5.

7. CONTRIBUTOR ADDRESS: Enter the complete address of the contributor.

8. AMOUNT OF CONTRIBUTION: Enter the fair market value of the in-kind contribution.
9. **IN-KIND CONTRIBUTION DESCRIPTION:** Enter a description of the contribution. The description should be sufficiently detailed to allow a person reviewing your report to understand what was contributed.

   **“Travel Outside of Texas” box:** If the contribution was for travel outside of Texas, please check the box and report this information on Schedule T.

10. **PRINCIPAL OCCUPATION OR JOB TITLE:** See instructions for Schedule A1, section 8.

11. **EMPLOYER:** See instructions for Schedule A1, section 9.

   *Sections 12-16 pertain to judicial candidates and officeholders only. Do not complete these sections. If you are a judicial candidate or officeholder, please use form JC/OH and the corresponding instructions.*
SCHEDULE B: PLEDGED CONTRIBUTIONS

These instructions are for candidates and officeholders using SCHEDULE B: PLEDGED CONTRIBUTIONS.

Use this schedule to disclose information about pledges accepted during the reporting period for campaign or officeholder purposes. You are not required to include pledges of an individual’s personal services or travel if the individual receives no compensation from any source for the services. Do not enter on this schedule information on contributions actually received, loans, or guarantees of loans. (Report contributions actually received on Schedule A1 or Schedule A2, as applicable; report loans and guarantees of loans on Schedule E.)

If you accept a pledge from a person to give you money, goods, services, or anything of value, that pledge is a reportable contribution and you must include the pledge on this schedule for the report covering the period in which you accept the pledge.

Itemization: You must itemize pledges that exceed $50 in the aggregate from one person during the reporting period. If you received pledges totaling more than $50 from one person during the reporting period, you must itemize all of those pledges, even if individual pledges were for $50 or less. Although you are not required to do so, you may also itemize pledges for $50 or less from one person. You must also disclose the receipt of the pledged contribution on Schedule A1 (used for monetary contributions) or A2 (used for non-monetary contributions), as applicable, in the reporting period in which you actually receive the pledged money or thing of value. If the pledge is accepted and received in the same reporting period, it is not required to be reported on Schedule B.

Note: See the Campaign Finance Guide for more information on pledges.

Each numbered item in these instructions corresponds to the same numbered item on the form.

1. **TOTAL PAGES SCHEDULE B:** After you have completed Schedule B, count the total number of pages. Each side of a two-sided form counts as one page.

2. **FILER NAME:** Enter your full name.

3. **FILER ID:** See instructions for Cover Sheet, page 1, section 1.

4. **TOTAL OF UNITEMIZED PLEDGES:** Enter the total amount of pledges that you accepted during the period that did not exceed $50 in the aggregate per person. Although you are not required to do so, you may also itemize pledges of $50 or less on this schedule. If you itemize some pledges of $50 or less, do not include those pledges in the total entered here. If you choose to itemize all pledges of $50 or less, do not enter a total amount here.

5. **DATE:** Enter the date you accepted the pledge. Accepting a pledge is different from receiving a contribution. You accept a pledge when you decide to accept it rather than reject it.
Pledge accepted and received in different reporting periods: If you accept a pledge in one reporting period and then receive the pledged money or other thing of value in a later reporting period, you will disclose the pledge on this schedule in the reporting period in which you accepted the pledge. You will also disclose the receipt of the pledged money or other thing of value on the appropriate incoming funds schedule (report monetary contributions on Schedule A1; report in-kind contributions on Schedule A2; report loans on Schedule E) in the reporting period in which you received the pledge.

Pledge received in same reporting period as accepted: If you receive a pledge in the same reporting period in which it was accepted, then you will not report the pledge on this schedule. You will only disclose the contribution on the appropriate incoming funds schedule (report monetary contributions on Schedule A1; report in-kind contributions on Schedule A2; report loans on Schedule E). The date of the contribution will be the date you accepted the pledged contribution, regardless of when the pledged contribution was actually received.

Pledge accepted but never received: You will disclose the pledge on this schedule in the reporting period in which you accepted the pledge. If you never actually receive the pledge, it is not necessary to correct your report to delete the pledge.

Example: In June a supporter promises that he will give Juan Garcia $1,000 in the last week before the November election. Juan accepts his promise. Juan must disclose the pledge on his July 15 report covering the period in which he accepted the pledge. (Note: When he receives the $1,000, he will disclose it as a monetary contribution on Schedule A1 of the report covering the period in which he received the money. Also, if he never receives the $1,000, he does not correct/amend his report to delete the entry for the pledge.)

6. FULL NAME OF PLEDGOR: Enter the full name of the person who made the pledge.

7. PLEDGOR ADDRESS: Enter the complete address of the person who made the pledge.

8. AMOUNT OF PLEDGE: Enter the amount of the pledge or the fair market value of any pledged goods or services or other thing of value, as applicable.

9. IN-KIND DESCRIPTION: If the pledge was for goods or services or any other thing of value, enter a description of the pledged goods or services or other thing of value. The description should be sufficiently detailed to allow a person reviewing your report to understand what was pledged.

“Travel Outside of Texas” box: If the pledged contribution was an in-kind contribution for travel outside of Texas, please check the box and report this information on Schedule T.
10. **PRINCIPAL OCCUPATION OR JOB TITLE:** See instructions for Schedule A1, section 8.

11. **EMPLOYER:** See instructions for Schedule A1, section 9.

*You do not need Schedules C1-4 and D. These schedules are for political committees to report contributions from corporations and labor organizations. Candidates and officeholders are generally prohibited from accepting such contributions.*
SCHEDULE E: LOANS

These instructions are for candidates and officeholders using SCHEDULE E: LOANS.

Use this schedule to disclose information about loans and guarantees of loans accepted during the reporting period for campaign or officeholder purposes. This schedule must also be used to disclose deposits of personal funds into an account in which political contributions are held as permitted by section 253.0351(c) of the Election Code. This schedule may also be used to disclose political expenditures from personal funds.

Loans to Your Campaign from Your Personal Funds: You may disclose political expenditures from personal funds as a loan to your campaign on Schedule E. Outgoing political expenditures made from that loan must then be disclosed as if they were made from political contributions. The amount you disclose as a loan from yourself in a reporting period may NOT exceed the amount you actually spent from personal funds in that reporting period. In other words, do not report a $100,000 loan to your campaign if the amount actually spent from your personal funds in the reporting period was $5,000. When you reimburse yourself, disclose the reimbursement as an outgoing political expenditure on Schedule F1. The reimbursement may not exceed the amount disclosed as a loan. (You may also disclose political expenditures from personal funds on Schedule G. See the Schedule G instructions below for more information.)

Personal Funds Deposited into a Political Account: If you deposit personal funds in an account in which political contributions are held, you must disclose the deposited amount as a loan on Schedule E and check the box indicating "Personal Funds Deposited into Political Account." Personal funds deposited in an account in which political contributions are held are subject to the personal use restriction. Disclose the outgoing political expenditures made from that loan as if they were made from political contributions. When you reimburse yourself, disclose the reimbursement as an outgoing political expenditure on Schedule F1. The reimbursement may not exceed the amount disclosed as a loan.

Itemization: You must itemize loans (including loans from personal funds) that exceed $50 that you accepted during the period from one person. If you accepted two or more loans from the same person, the total of which exceeds $50, itemize each loan separately. Although you are not required to do so, you may also itemize loans that do not exceed $50.

Each numbered item in these instructions corresponds to the same numbered item on the form.

1. TOTAL PAGES SCHEDULE E: After you have completed Schedule E, count the total number of pages. Each side of a two-sided form counts as one page.

2. FILER NAME: Enter your full name.

3. FILER ID: See instructions for Cover Sheet, page 1, section 1.
4. **TOTAL OF UNITEMIZED LOANS:** Enter the total amount of loans accepted during the reporting period that did not exceed $50 in the aggregate per person and were not from financial institutions.

Although you are not required to do so, you may itemize loans of $50 or less from persons other than financial institutions on this schedule. If you itemize some loans of $50 or less, do not include those loans in the total you enter here. If you choose to itemize all loans of $50 or less, enter a “0” here.

5. **DATE OF LOAN:** Enter the date you *accepted* the loan.

6. **IS LENDER A FINANCIAL INSTITUTION?:** If you accepted the loan from a corporation that has been legally engaged in the business of making loans for more than one year, circle “Y” for yes. If you accepted the loan from any other source, circle “N” for no. A loan from a corporation that has not been legally engaged in the business of making loans for more than one year is a corporate contribution. Candidates and officeholders may not accept corporate contributions.

7. **NAME OF LENDER:** Enter the full name of the person or financial institution that made the loan. If the lender is an individual, enter the full first and last name and suffix (Jr., III, et.) if applicable. If the lender is an entity, enter the full name of the entity.

   **“Out-of-State PAC” box:** See instructions for Schedule A1, section 5.

   Note: See the Campaign Finance Guide for detailed information on accepting and reporting contributions from out-of-state political committees.

8. **LENDER ADDRESS:** Enter the complete address of the person or financial institution that made the loan.

9. **LOAN AMOUNT:** Enter the principal amount of the loan.

10. **INTEREST RATE:** Enter the interest rate.

11. **MATURITY DATE:** Enter the maturity date.

12. **PRINCIPAL OCCUPATION OR JOB TITLE:** Candidates for and holders of statewide offices in the executive branch and candidates for and holders of legislative offices must disclose the principal occupation or job title of each individual from whom the candidate or officeholder has accepted a loan (including a pledge of a loan) of $500 or more during the reporting period. Other types of filers are not required to report this information but may do so.

13. **EMPLOYER:** Candidates for and holders of statewide offices in the executive branch and candidates for and holders of legislative offices must disclose the full name of the employer of an individual from whom the candidate or officeholder has accepted a loan (including a pledge of a loan) of $500 or more during the reporting period. Other types of filers are not required to report this information but may do so.
14. DESCRIPTION OF COLLATERAL: If there is no collateral for the loan, check the “none” box and go to section 15. If there is collateral for the loan, enter a description of the collateral for the loan.

15. “Check if personal funds were deposited into political account” box: Check this box only if the loan is a deposit of your personal funds into an account in which political contributions are held as permitted by section 253.0351(c) of the Election Code. Political expenditures made from that loan, and any subsequent expenditures to reimburse the candidate or officeholder, must be reported as if they were made from political contributions. The reimbursement may not exceed the amount reported as a loan. Personal funds deposited in an account in which political contributions are held are subject to the personal use restrictions.

16. GUARANTOR INFORMATION: If there are no guarantors for the loan, check the “Not Applicable” box and go to the next loan. If you have no further loans to report, go to the next applicable schedule.

A person who guarantees all or part of a loan makes a reportable contribution in the amount of the guarantee. You must report such a contribution on this schedule, and not on the contributions schedule.

17. NAME OF GUARANTOR: Enter the full name of the person guaranteeing the loan. If the guarantor is an individual, enter the full first and last name and suffix (Jr., III, etc.) if applicable. If the guarantor is an entity, enter the full name of the entity.

18. GUARANTOR ADDRESS: Enter the complete address of the guarantor.

19. AMOUNT GUARANTEED: Enter the dollar amount of the loan that the guarantor has agreed to guarantee.

20. PRINCIPAL OCCUPATION: Enter the principal occupation of the guarantor.

21. EMPLOYER: Enter the employer of the guarantor.
SCHEDULE F1: POLITICAL EXPENDITURES FROM POLITICAL CONTRIBUTIONS

These instructions are for candidates and officeholders using SCHEDULE F1: POLITICAL EXPENDITURES FROM POLITICAL CONTRIBUTIONS.

Use this schedule to disclose information about political expenditures from political contributions that were made during the reporting period. Do not enter on this schedule unpaid incurred obligations, political expenditures made from personal funds, the purchase of investments from political contributions, expenditures made by credit card, or payments from political contributions made to a business that you own or control. (Report unpaid incurred obligations on Schedule F2; report expenditures from personal funds on Schedule G; report the purchase of investments from political contributions on Schedule F3; report expenditures made by credit card on Schedule F4; and report payments from political contributions made to a business that you own or control on Schedule H.)

Expenditures Made by Credit Card: Effective July 5, 2015, you must disclose expenditures charged to a credit card on Schedule F4 and not on this schedule. When you pay the credit card bill, you must disclose the payment to the credit card company on Schedule F1 (used for political payments from political contributions), Schedule G (used for political payments from personal funds), Schedule H (used for payments from political contributions made to a business that you own or control), or Schedule I (used for nonpolitical payments from political contributions), as applicable. See instructions for Schedule F4: Expenditures Made by Credit Card for more information.

See the Campaign Finance Guide for Candidates and Officeholders for important restrictions regarding the use of political funds to rent or purchase real property.

Itemization: You must enter expenditures paid to one individual or entity during a reporting period that in the aggregate exceed $100 on this schedule. If you made more than one expenditure to the same payee, the total of which exceeded $100, enter each expenditure separately. Although you are not required to do so, you may also report expenditures to one person that do not exceed $100 in the period on this schedule. If you choose not to itemize expenditures of $100 and less on this schedule, you must total all unitemized expenditures and report them on the Cover Sheet, page 2, section 17, line 3.

Each numbered item in these instructions corresponds to the same numbered item on the form.

1. TOTAL PAGES SCHEDULE F1: After you have completed Schedule F1, count the total number of pages. Each side of a two-sided form counts as one page.

2. FILER NAME: Enter your full name.

3. FILER ID: See instructions for Cover Sheet, page 1, section 1.

4. DATE: Enter the date the expenditure payment was made. Remember: Expenditure obligations you incurred in this reporting period but have not yet paid are entered on Schedule F2. Expenditures made by credit card are entered on Schedule F4.
5. **PAYEE NAME:** Enter the full name of the person to whom the expenditure was made.

Note: If you make an expenditure for goods or services to benefit another candidate, officeholder, or committee, enter the name of the vendor who sold you the goods or services. Do not enter the name of the person for whose benefit you made the expenditure. Include that information under section 8, “Purpose of Expenditure.”

6. **AMOUNT:** Enter the exact amount of the expenditure.

7. **PAYEE ADDRESS:** Enter the complete address of the person to whom the expenditure was made.

8. **PURPOSE OF EXPENDITURE:** You must disclose the purpose of the expenditure in two parts: Category and Description. Merely disclosing the category of goods, services, or other thing of value for which the expenditure is made does not adequately describe the purpose of an expenditure.

(a) **Category:** Select a category of goods, services, or other thing of value for which an expenditure is made. If none of the listed categories apply, select “Other” and enter your own category. Examples of acceptable categories include:

   - Advertising Expense
   - Accounting/Banking
   - Consulting Expense
   - Contributions/Donations Made By Candidate/Officeholder/Political Committee
   - Credit Card Payment
   - Event Expense
   - Fees
   - Food/Beverage Expense
   - Gifts/Awards/Memorials Expense
   - Legal Services
   - Loan Repayment/Reimbursement
   - Office Overhead/Rental Expense
   - Polling Expense
   - Printing Expense
   - Salaries/Wages/Contract Labor
   - Solicitation/Fundraising Expense
   - Transportation Equipment and Related Expense
   - Travel In District
   - Travel Out Of District
   - Other

(b) **Description:** Enter a brief statement or description of the candidate or officeholder activity that is conducted by making the expenditure. The brief statement or description must include the item or service purchased and must be sufficiently specific, when considered within the context of the description of the category, to make the reason for the expenditure clear. Merely disclosing the category of goods, services, or other thing of
value for which the expenditure is made does not adequately describe the purpose of an expenditure.

For examples of acceptable ways to disclose the purpose of an expenditure, please see the "Examples: Purpose of Expenditures" on page 46.

"Check if travel outside of Texas” box: Check this box if the expenditure is for travel outside of Texas. The description of a political expenditure for travel outside of the state of Texas must include detailed information. Please report this information on Schedule T.

"Check if Austin, TX, officeholder living expense” box: For expenditures made on or after July 1, 2014, check this box if the expenditure is an officeholder expense for living in Austin, Texas.

9. DIRECT CAMPAIGN EXPENDITURE TO BENEFIT CANDIDATE/OFFICEHOLDER:
If you made a direct campaign expenditure to benefit another candidate or officeholder, enter the full name of the candidate or officeholder and the name of the office sought or held, including the district, precinct, or other designation of the office, as applicable. (Attach additional sheets to list multiple candidates.) Do not complete this section if the expenditure was not a direct campaign expenditure.

A “direct campaign expenditure” to benefit another candidate is not a “political contribution” to that other candidate. A direct campaign expenditure is a campaign expenditure that you make on someone else’s behalf and without the prior consent or approval of that person. This is in contrast to a political contribution, which the person has the opportunity to accept or reject.

Example: If you made expenditures to prepare and distribute an endorsement letter in support of a candidate after first asking for and getting the candidate’s approval, you made an in-kind contribution. However, if you did not get the candidate’s approval before you made the expenditure, you made a direct campaign expenditure.
SCHEDULE F2: UNPAID INCURRED OBLIGATIONS

These instructions are for candidates and officeholders using SCHEDULE F2: UNPAID INCURRED OBLIGATIONS.

Use this schedule to disclose information about obligations to make an expenditure that you incurred during the reporting period but have not yet paid. Do not enter on this schedule obligations that were incurred and paid during the reporting period, or other outgoing funds. (Report obligations incurred and paid during the reporting period on Schedule F1, F3, G, H, or I as appropriate, and report expenditures made by credit card on Schedule F4.)

See the Campaign Finance Guide for Candidates and Officeholders for important restrictions regarding the use of political funds to rent or purchase real property.

Itemization: Itemization requirements differ depending on whether the unpaid incurred obligation is for a political or non-political expenditure.

Unpaid Incurred Political Obligations: You must enter political obligations incurred but not yet paid to one individual or entity during a reporting period that in the aggregate exceed $100 on this schedule. If you incurred more than one obligation to the same payee, the total of which exceeded $100, enter each expenditure separately. Although you are not required to do so, you may also report political obligations incurred to one person that do not exceed $100 in the period on this schedule. If you choose not to itemize incurred political obligations of $100 and less on this schedule, you must total all unitemized obligations and report them in section 4 of this Schedule. You must also include that amount in the total unitemized political expenditures of $100 or less on C/OH Cover Sheet, page 2, section 17, line 3.

Unpaid Incurred Non-Political Obligations: You must enter non-political obligations incurred but not yet paid to one individual or entity during a reporting period on this schedule, regardless of the amount.

Each numbered item in these instructions corresponds to the same numbered item on the form.

1. TOTAL PAGES SCHEDULE F2: After you have completed Schedule F2, count the total number of pages. Each side of a two-sided form counts as one page.

2. FILER NAME: Enter your full name.

3. FILER ID: See instructions for Cover Sheet, page 1, section 1.

4. TOTAL OF UNITEMIZED UNPAID INCURRED OBLIGATIONS: Enter the total amount of political obligations incurred during the reporting period that do not exceed $100 in the aggregate per person, unless itemized on this schedule. You are not required to itemize unpaid incurred political obligations of $100 or less, but if you choose to do so, do not include those unpaid incurred obligations in the total you enter here.
5. **DATE:** Enter the date the obligation was incurred. Obligations you incurred and paid during the reporting period are not entered on this schedule.

6. **PAYEE NAME:** See instructions for Schedule F1, section 5.

   Note: If you incurred an obligation for goods or services to benefit another candidate, officeholder, or committee, enter the name of the vendor of the goods or services. Do not enter the name of the person for whose benefit you incurred the obligation. Include that information under section 10, “Purpose of Expenditure.”

When you pay the credit card bill, you must disclose the payment to the credit card company on Schedule F1 (used for political payments from political contributions), Schedule G (used for political payments from personal funds), Schedule H (used for payments from political contributions made to a business that you own or control), or Schedule I (used for nonpolitical payments from political contributions), as applicable.

Do not enter on this schedule political expenditures from political contributions, unpaid incurred obligations, political expenditures made from personal funds, or payments from political contributions made to a business that you own or control. (Report political expenditures from political contributions on Schedule F1; report unpaid incurred obligations on Schedule F2; report the purchase of investments from political contributions on Schedule F3; report expenditures from personal funds on Schedule G; and report payments from political contributions made to a business that you own or control on Schedule H.)

For examples regarding the disclosure of expenditures made by credit card, please see “Examples: Reporting Expenditures Made by Credit Card” on page 42.

**Itemization:** Itemization requirements differ depending on whether the expenditure made by a credit card is for a political or non-political expenditure.

**Political Expenditures Made by Credit Card:** You must itemize political expenditures made by credit card that exceed $100 (in the aggregate) to a single payee. If you made two or more expenditures to the same payee, the total of which exceeded $100, enter each expenditure made by credit card separately. Although you are not required to do so, you may also report political expenditures made by credit card that do not exceed $100 in the reporting period on this schedule. If you choose not to itemize political expenditures made by credit card of $100 and less on this schedule, you must total all unitemized political expenditures and report them in section 4 of this Schedule. You must also include that amount in the total unitemized political expenditures of $100 or less on C/OH Cover Sheet, page 2, section 17, line 3.

**Non-Political Expenditures Made by Credit Card:** You must itemize any non-political expenditure made by credit card, regardless of the amount.

You are not required to itemize political expenditures made by credit card of $100 or less, but if you choose to do so, do not include those political expenditures made by credit card in the total you enter here.

5. **DATE:** Enter the date you made the expenditure by credit card.

   Note: There is a special reporting rule for expenditures made by credit card. For reports due 30 days and 8 days before an election (pre-election reports) and for runoff reports, the date of the credit card expenditure is the date the credit card is used. For other reports, the date of the credit card expenditure is either the date of the charge or the date the credit card statement is received. *A filer can never go wrong by disclosing the date of the expenditure as the date of the charge.*

6. **PAYEE NAME:** See instructions for Schedule F1, section 5. Disclose the name of the vendor who sold you the goods or services as the payee, NOT the credit card company. You do not report the name of the credit card company on this schedule.

   Note: If you made an expenditure for goods or services to benefit another candidate, officeholder, or committee, enter the name of the vendor of the goods or services. Do not enter the name of the person for whose benefit you made the expenditure. Include that information under section 10, “Purpose of Expenditure.”

7. **AMOUNT:** Enter the amount of the credit card expenditure.

8. **PAYEE ADDRESS:** Enter the complete address of the payee of the credit card expenditure.

9. **TYPE OF EXPENDITURE:** Check only one box to indicate whether the credit card expenditure was political or non-political.

10. **PURPOSE OF EXPENDITURE:** See instructions for Schedule F1, section 8.

    Note: Do not choose “Credit Card Payment” as the category for an expenditure made by credit card when an individual, entity, or vendor receives payment from the credit card company. See the Campaign Finance Guide for important restrictions regarding the use of political funds to rent or purchase real property.

Itemization: If you choose to report political expenditures from personal funds on this schedule, you must itemize political expenditures paid to one individual or entity during a reporting period that in the aggregate exceed $100 on this schedule. If you made more than one expenditure to the same payee, the total of which exceeded $100, enter each expenditure separately. Although you are not required to do so, you may also report expenditures to one person that do not exceed $100 in the period on this schedule. You must total all political expenditures from personal funds that you do not itemize on this schedule and include them in the total of unitemized political expenditures on the C/OH Cover Sheet, page 2, section 17, line 3.

Officeholder expenditures from personal funds for which you do not intend to seek reimbursement are not required to be reported on this schedule or included in the total of unitemized political expenditures.

FORM C/OH-FR: DESIGNATION OF FINAL REPORT

These instructions are for candidates and officeholders using Form C/OH-FR: C/OH REPORT: DESIGNATION OF FINAL REPORT. A final report must include this form (Form C/OH-FR) and the CAMPAIGN FINANCE REPORT (Form C/OH) with the “Final Report” box checked on page 1, section 9. It must also include Schedules A1, A2, B, E, F1, F2, F3, F4, G, H, I, K, and T, as applicable.

GENERAL INFORMATION

For filing purposes, you are a “candidate” as long as you have an appointment of campaign treasurer on file. If you do not expect to accept any further campaign contributions or to make any further campaign expenditures, you may file a final report of contributions and expenditures. A final report terminates your appointment of campaign treasurer and relieves you of the obligation of filing further reports as a candidate.

If you do not have an appointment of campaign treasurer on file, you may not accept campaign contributions or make campaign expenditures. A payment on a campaign debt is a campaign expenditure. An officeholder who does not have an appointment of campaign treasurer on file may accept officeholder contributions and make officeholder expenditures.

The effect of filing a final report differs depending on whether you are an officeholder at the time you file a final report.

Officeholders Filing a Final Report: You will not have to worry about surplus political funds and assets until you cease to be an officeholder. You may still be required to file semiannual reports of contributions and expenditures as an officeholder. The only officeholders who are not required to file semiannual reports are local officeholders who do not exceed $500 in contributions or expenditures during the reporting period.

If you cease to be an officeholder at a time when you do not have a campaign treasurer appointment on file, and you retain political contributions, interest or other income from political contributions, or assets purchased with political contributions or interest or other income from political contributions after filing the last required report as an officeholder, you must file an annual report of unexpended contributions not earlier than January 1 and not later than January 15 of each year following the year in which you filed the last required report as an officeholder. You may not retain these unexpended funds longer than six years after the date you ceased to be an officeholder. For information about important restrictions regarding the use and reporting of unexpended contributions, see the Campaign Finance Guide.

Non-Officeholders Filing a Final Report: You will no longer be required to file reports unless you retain political contributions, interest or other income from political contributions, or assets purchased with political contributions or interest or other income from political contributions. If you retain any of those items, you must file an annual report of unexpended contributions not earlier than January 1 and not later than January 15 of each year after the year in which you filed your final report. You may not retain these unexpended funds longer than six years after the date of filing a final report. For information about important restrictions regarding the use and reporting of unexpended contributions, see the Campaign Finance Guide.

EXAMPLES: REPORTING EXPENDITURES MADE BY CREDIT CARD

This list is for illustrative purposes only. It is intended to provide helpful information and to assist filers in reporting expenditures made by credit card and payments made to credit card companies.

Example #1: Candidate Using Credit Card to Make Political Expenditures and Using Political Contributions to Pay the Credit Card Bill in the Same Reporting Period

A candidate for office uses her credit card to buy $1,000 in campaign office supplies from an office store. During the same reporting period, the candidate uses her credit card to buy $500 in political advertising signs from a sign company. During the same reporting period, the candidate makes a single payment from her political contributions account to pay the $1,500 credit card bill.

To report that activity, the candidate would report all of the following on a campaign finance report (Form C/OH) covering the period in which she made the credit card charges and sent the payment to the credit card company:

1. For the credit card charges: a $1,000 expenditure on the “Expenditures Made by Credit Card” Schedule (F4). The schedule identifies the office store as the payee of the expenditure and includes the address, date, amount, a category of the expenditure as “Office Overhead/Rental Expense,” and a description as “Campaign Office Supplies.” In Section 9 of the schedule, the box for “Political” is also checked. The candidate also reports the $500 expenditure on the “Expenditures Made by Credit Card” Schedule and identifies the sign company as the payee of the expenditure and includes the address, date, amount, a category of the expenditure as “Advertising Expense,” and a description as “Political Advertising Signs.” In Section 9 of the schedule, the box for “Political” is also checked.

2. For the payment to the credit card company: a $1,500 expenditure on the “Political Expenditures from Political Contributions” Schedule (F1). The schedule identifies the credit card company as the payee of the expenditure and includes the address, date, amount, a category of the expenditure as “Credit Card Payment,” and a description as “Payment of credit card bill for credit card expenditures.”

3. Both $1,500 amounts reported on each schedule will also be included in the appropriate totals sections of Cover Sheet Pages 2 and 3.

Example #2: Candidate Using Credit Card to Make a Political Expenditure and Using Personal Funds to Pay the Credit Card Bill in the Same Reporting Period

A candidate for non-judicial office uses his credit card to purchase $3,000 in political advertising materials from a print shop. During the same reporting period, the candidate makes a payment from his personal funds account to pay the $3,000 credit card bill.
To report that activity, the candidate would report all of the following on a campaign finance report (Form C/OH) covering the period in which he made the credit card charge and sent the payment to the credit card company:

1. For the credit card charge: a $3,000 expenditure on the “Expenditures Made by Credit Card” Schedule (F4). The schedule identifies the print shop as the payee of the expenditure and includes the address, date, amount, a category of the expenditure as “Advertising Expense,” and a description as “Political Advertising Materials.” In Section 9 of the schedule, the box for “Political” is also checked.

2. For the payment to the credit card company: a $3,000 expenditure on the “Political Expenditures Made from Personal Funds” Schedule (G). The schedule identifies the credit card company as the payee of the expenditure and includes the address, date, amount, a category of the expenditure as “Credit Card Payment,” and a description as “Payment of credit card bill for political advertising materials.” If the candidate intends to seek reimbursement from political contributions, the candidate may also check the appropriate box in Section 6.

3. Both $3,000 amounts reported on each schedule will also be included in the appropriate sections of Cover Sheet Pages 2 and 3.

Example #3: Political Committee Using Credit Card to Make a Political Expenditure and Using Political Contributions to Pay the Credit Card Bill in Different Reporting Periods

A general-purpose committee uses its credit card to buy $500 in political advertising in a newspaper. The committee receives the statement from the credit card company but does not send a payment until after the reporting period ends. When the committee sends a payment to the credit card company, it makes a $500 payment from its political contributions account.

To report the credit card charge, the committee’s campaign treasurer would report all of the following on a campaign finance report (Form GPAC) covering the period in which it made the credit card charge:

1. A $500 expenditure on the “Expenditures Made by Credit Card” Schedule (F4). The schedule identifies the newspaper as the payee of the expenditure and includes the address, date, amount, a category of the expenditure as “Advertising Expense,” and a description as “Political Advertising.” In Section 9 of the schedule, the box for “Political” is also checked.

2. The $500 amount reported on the “Expenditures Made by Credit Card” Schedule (F4) will also be included in the appropriate sections of Cover Sheet Pages 2 and 3.

To report the payment to the credit card company, the committee’s campaign treasurer would also report all of the following on a campaign finance report (Form GPAC) covering the period in which it made the payment to the credit card company:

1. A $500 expenditure on the “Political Expenditures from Political Contributions” Schedule (F1). The schedule identifies the credit card company as the payee of the
expenditure and includes the address, date, amount, a category of the expenditure as “Credit Card Payment,” and a description as “Payment of credit card bill for political advertising.”

2. The $500 amount reported on the “Political Expenditures from Political Contributions” Schedule (F1) will also be included in the appropriate sections of Cover Sheet Pages 2 and 3.

Example #4: Candidate Using Credit Card to Make a Political Expenditure and Using Political Contributions to Pay the Credit Card Bill in Different Reporting Periods

A candidate for judicial office uses her credit card to buy $500 in political advertising in a newspaper. The candidate receives the statement from the credit card company but does not send a payment until after the reporting period ends. When the candidate sends a payment to the credit card company, she makes a $500 payment from her political contributions account.

To report the credit card charge, the candidate would report all of the following on a campaign finance report (Form JC/OH) covering the period in which she made the credit card charge:

1. A $500 expenditure on the “Expenditures Made by Credit Card” Schedule (F4). The schedule identifies the newspaper as the payee of the expenditure and includes the address, date, amount, a category of the expenditure as “Advertising Expense,” and a description as “Political Advertising.” In Section 9 of the schedule, the box for “Political” is also checked.

2. The $500 amount reported on the “Expenditures Made by Credit Card” Schedule (F4) will also be included in the appropriate sections of Cover Sheet Pages 2 and 3.

To report the payment to the credit card company, the candidate would also report all of the following on a campaign finance report (Form JC/OH) covering the period in which the payment to the credit card company was made:

1. A $500 expenditure on the “Political Expenditures from Political Contributions” Schedule (F1). The schedule identifies the credit card company as the payee of the expenditure and includes the address, date, amount, a category of the expenditure as “Credit Card Payment,” and a description as “Payment of credit card bill for political advertising.”

2. The $500 amount reported on the “Political Expenditures from Political Contributions” Schedule (F1) will also be included in the appropriate sections of Cover Sheet Pages 2 and 3.
EXAMPLES: PURPOSE OF EXPENDITURES

This list is for illustrative purposes only. It is intended to provide helpful information and to assist filers in reporting the purpose of an expenditure. However, it is not, and is not intended to be, an exhaustive or an exclusive list of how a filer may permissibly report the purpose of an expenditure.

(1) Example: Candidate X is seeking the office of State Representative, District 2000. She purchases an airline ticket from ABC Airlines to attend a campaign rally within District 2000. The acceptable category for this expenditure is “travel in district.” The candidate activity that is accomplished by making the expenditure is to attend a campaign rally. An acceptable brief statement is “airline ticket to attend campaign event.”

(2) Example: Candidate X purchases an airline ticket to attend a campaign event outside of District 2000 but within Texas, the acceptable category is “travel out of district.” The candidate activity that is accomplished by making the expenditure is to attend a campaign event. An acceptable brief statement is “airline ticket to attend campaign or officeholder event.”

(3) Example: Candidate X purchases an airline ticket to attend an officeholder related seminar outside of Texas. The acceptable method for the purpose of this expenditure is by selecting the “travel out of district” category and completing the “Schedule T” (used to report travel outside of Texas).

(4) Example: Candidate X contracts with an individual to do various campaign related tasks such as work on a campaign phone bank, sign distribution, and staffing the office. The acceptable category is “salaries/wages/contract labor.” The candidate activity that is accomplished by making the expenditure is to compensate an individual working on the campaign. EXAMPLES: REPORTING EXPENDITURES FROM PERSONAL FUNDS

This list is for illustrative purposes only. It is intended to provide helpful information and to assist filers in reporting expenditures from personal funds.

If you intend to seek reimbursement of any amount from political contributions for a political expenditure made from your personal funds, you must report the expenditure in one of three ways. Keep in mind that this reporting system is not an accounting system and duplication of expenditures is not uncommon when reporting transactions related to expenditures made from personal funds.

**Method #1:** Itemize the expenditure on the “Political Expenditures Made from Personal Funds” schedule (Schedule G) and check the box to indicate that you intend to seek reimbursement from political contributions. You may not correct a report to allow reimbursement without subjecting yourself to a possible penalty. When you reimburse yourself, which could be months or years later, report the reimbursement on the “Political Expenditures” schedule (Schedule F1).

**Example:** On December 1, 2007, Candidate A spends $500 of her own personal funds to purchase political advertising signs. She reports the expenditure to the vendor on Schedule G and checks the box to indicate that reimbursement is intended. One year later, Candidate A reimburses herself from political contributions. She reports the reimbursement on Schedule F1. Candidate A is the payee and the purpose of the expenditure is to reimburse herself for a political expenditure made from personal funds on December 1, 2007.

If you intend to seek reimbursement from political contributions for a political expenditure of any amount made from personal funds, you must itemize the expenditure on Schedule G.

**Method #2:** Report the political expenditures made from your personal funds as a loan to your campaign on the “Loans” schedule (Schedule E). Next, report the political expenditures made from that loan as if they were made from political funds (report on Schedules F1, F2, F3, F4, or H as appropriate). Do NOT report political expenditures made from the loan on Schedule G. The amount you report as a loan in a reporting period may NOT exceed the amount you actually spent from personal funds in that reporting period. In other words, do not report a $100,000 loan to your campaign if the amount actually spent from personal funds in the reporting period was $5,000. When you reimburse yourself, which could be months or years later, report the reimbursement on the Schedule F1.

**Example:** In one reporting period, Candidate B spends $5,000 of his own personal funds to purchase political advertising materials. He spends $3,000 at Business One and $2,000 at Business Two. He reports the expenditures as a $5,000 loan on Schedule E and then itemizes each of the two expenditures as a political expenditure on Schedule F1. A year later, Candidate B reimburses himself from political contributions by disclosing the reimbursement on Schedule F1. He reports the reimbursement on Schedule F1. The payee in this instance is Candidate B, the category of the expenditure is “Loan
Repayment/Reimbursement,” and “political expenditure made from personal funds reported as a loan” is an acceptable brief description.

**Method #3:** Deposit personal funds in an account in which your political contributions are maintained and report that amount as a loan on the "Loans" schedule (Schedule E). Next, report the political expenditures made from that loan as if they were made from political funds (report on Schedules F1, F2, F3, or H as appropriate). When you reimburse yourself, which could be months or years later, report the reimbursement on the Schedule F1. The reimbursement may not exceed the amount reported as a loan. Personal funds deposited in an account in which political contributions are held are subject to the personal use restriction.

**Example:** In one reporting period, Candidate C opens a campaign bank account and deposits $5,000 of her own personal funds into the account. She makes one $3,000 expenditure for political advertising. Candidate C has no other activity in the reporting period. She reports the $5,000 as a loan on Schedule E, itemizes the $3,000 expenditure for the political advertising on Schedule F1, and includes the remaining $2,000 on her contributions maintained at the end of the reporting period total. A year later, Candidate C reimburses herself from political contributions by disclosing the reimbursement on Schedule F1. The payee in this instance is Candidate C, the category of expenditure is "Loan Repayment/Reimbursement," and "political expenditure made from personal funds reported as a loan" is an acceptable brief description.
EXAMPLES: REPORTING STAFF REIMBURSEMENT

This list is for illustrative purposes only. It is intended to provide helpful information and to assist filers in reporting staff reimbursements.

When a staff member makes political payment(s) out of his or her personal funds, how you disclose the payment(s) depends on two things: 1) the aggregate total of those payments in the reporting period; and 2) whether or not you reimburse the staff worker in the same reporting period.

Example #1: The payment out of the staff worker's personal funds does not exceed $5,000 in the reporting period and you reimburse the staff worker from political funds in the same reporting period – You will simply itemize the payment (if over the $100 itemization threshold) on Schedule F1 as if you made the expenditure directly to the vendor out of your political funds, with the name of the vendor who sold the goods or services as the payee for the expenditure. Do not disclose as the payee the name of your staff worker.

Example #2: The payment(s) out of the staff worker's personal funds are over $5,000 in the aggregate in the reporting period and you reimburse the staff worker from political funds in the same reporting period – You will use a 3-step process, disclosing everything on the same report: (1) On Schedule E, disclose the total amount paid from the staff worker's personal funds as a loan from the staff worker to your campaign; (2) On Schedule F1, itemize the payments made by your staff worker separately, with the names of the vendors who sold the goods or services to your staff worker as the payees for the expenditures. Do not disclose as the payee the name of your staff worker; and (3) On Schedule F1, disclose the payment to your staff worker for the reimbursement of the loan.

Example #3: The payment(s) out of the staff worker's personal funds do not exceed $5,000 in the aggregate in the reporting period but you reimburse the staff worker from political funds in a different reporting period – You will use a 3-step process, disclosing steps 1 and 2 on the same report and step 3 later, when the reimbursement occurs: (1) On Schedule E, disclose the total amount paid from the staff worker's personal funds as a loan from the staff worker to your campaign; (2) On Schedule F1, itemize the payments made by your staff worker separately, with the names of the vendors who sold the goods or services to your staff worker as the payees for the expenditures. Do not disclose as the payee the name of your staff worker; and (3) When you reimburse your staff worker, if ever, disclose on Schedule F1 of the report covering the period in which the reimbursement occurs the payment to your staff worker for the reimbursement of the loan.

(1) "Candidate" means a person who knowingly and willingly takes affirmative action for the purpose of gaining nomination or election to public office or for the purpose of satisfying financial obligations incurred by the person in connection with the campaign for nomination or election. Examples of affirmative action include:

(B) the filing of an application for a place on a ballot;

(C) the filing of an application for nomination by convention;

(D) the filing of a declaration of intent to become an independent candidate or a declaration of write-in candidacy;

(E) the making of a public announcement of a definite intent to run for public office in a particular election, regardless of whether the specific office is mentioned in the announcement;

(F) before a public announcement of intent, the making of a statement of definite intent to run for public office and the soliciting of support by letter or other mode of communication;

(G) the soliciting or accepting of a campaign contribution or the making of a campaign expenditure; and

(3) "Campaign contribution" means a contribution to a candidate or political committee that is offered or given with the intent that it be used in connection with a campaign for elective office or on a measure. (4) "Officeholder contribution" means a contribution to an officeholder or political committee that is offered or given with the intent that it be used to defray expenses that:
   (A) are incurred by the officeholder in performing a duty or engaging in an activity in connection with the office; and

(8) "Direct campaign expenditure" means a campaign expenditure that does not constitute a campaign contribution by the person making the expenditure.
(9) "Officeholder expenditure" means an expenditure made by any person to defray expenses that:
   (A) are incurred by an officeholder in performing a duty or engaging in an activity in connection with the office; and
   (B) are not reimbursable with public money.

(12) "Political committee" means a group of persons that has as a principal purpose accepting political contributions or making political expenditures.
(13) "Specific-purpose committee" means a political committee that does not have among its principal purposes those of a general-purpose committee but does have among its principal purposes:
   (A) supporting or opposing one or more:
      (i) candidates, all of whom are identified and are seeking offices that are known; or
      (ii) measures, all of which are identified;
(B) assisting one or more officeholders, all of whom are identified; or
(C) supporting or opposing only one candidate who is unidentified or who is seeking an office that is unknown.

(2) the full name of:
(A) the person who paid for the political advertising;
(B) the political committee authorizing the political advertising; or
(C) the candidate or specific-purpose committee supporting the candidate, if the political advertising is authorized by the candidate.
(b) Political advertising that is authorized by a candidate, an agent of a candidate, or a political committee filing reports under this title shall be deemed to contain express advocacy.
(c) A person may not knowingly use, cause or permit to be used, or continue to use any published, distributed, or broadcast political advertising containing express advocacy that the person knows does not include the disclosure required by Subsection (a). A person is presumed to know that the use of political advertising is prohibited by this subsection if the commission notifies the person in writing that the use is prohibited. A person who learns that political advertising signs, as defined by Section 255.007, that have been distributed do not include the disclosure required by Subsection (a) or include a disclosure that does not comply with Subsection (a) does not commit a continuing violation of this subsection if the person makes a good faith attempt to remove or correct those signs. A person who learns that printed political advertising other than a political advertising sign that has been distributed does not include the disclosure required by Subsection (a) or includes a disclosure that does not comply with Subsection (a) is not required to attempt to recover the political advertising and does not commit a continuing violation of this subsection as to any previously distributed political advertising.
(d) This section does not apply to:
(1) tickets or invitations to political fund-raising events;
(2) campaign buttons, pins, hats, or similar campaign materials; or

(2) at any time other than that specified by Subdivision (1), the amount charged other users for comparable use of the station.
(b) The rate charged for political advertising that is printed or published may not exceed the lowest charge made for comparable use of the space for any other purposes.
(c) In determining amounts charged for comparable use, the amount and kind of space or time used, number of times used, frequency of use, type of advertising copy submitted, and any other relevant factors shall be considered.

(d) Discounts offered by a newspaper or magazine to its commercial advertisers shall be offered on equal terms to purchasers of political advertising from the newspaper or magazine.

(b-1) An officer or employee of a political subdivision may not spend or authorize the spending of public funds for a communication describing a measure if the communication contains information that:

(1) the officer or employee knows is false; and

(2) is sufficiently substantial and important as to be reasonably likely to influence a voter to vote for or against the measure.

(c) A person who violates Subsection (a) or (b-1) commits an offense. An offense under this section is a Class A misdemeanor.

(d) It is an affirmative defense to prosecution for an offense under this section or the imposition of a civil penalty for conduct under this section that an officer or employee of a political subdivision reasonably relied on a court order or an interpretation of this section in a written opinion issued by:

(1) a court of record;

(2) the attorney general; or

(3) the commission.

(e) On written request of the governing body of a political subdivision that has ordered an election on a measure, the commission shall prepare an advance written advisory opinion as to whether a particular communication relating to the measure does or does not comply with this section.

(f) Subsections (d) and (e) do not apply to a port authority or navigation district.

Sec. 255.0031. UNLAWFUL USE OF INTERNAL MAIL SYSTEM FOR POLITICAL ADVERTISING.

communication that a candidate holds a public office that the candidate does not hold at the time
the representation is made.

office that the candidate does not hold if:
   (1) the candidate does not hold the office that the candidate seeks; and
(2) the political advertising or campaign communication states the public office sought but does not include the word "for" in a type size that is at least one-half the type size used for the name of the office to clarify that the candidate does not hold that office.

(2) instructs another person to place a political advertising sign that does not contain the notice required by Subsection (a).

(c) An offense under this section is a Class C misdemeanor.

(d) It is an exception to the application of Subsection (b) that the political advertising sign was printed or made before September 1, 1997, and complied with Subsection (a) as it existed immediately before that date.

(e) In this section, "political advertising sign" means a written form of political advertising designed to be seen from a road but does not include a bumper sticker.

CODE OF FAIR CAMPAIGN PRACTICES

There are basic principles of decency, honesty, and fair play that every candidate and political committee in this state has a moral obligation to observe and uphold, in order that, after vigorously contested but fairly conducted campaigns, our citizens may exercise their constitutional rights to a free and untrammeled choice and the will of the people may be fully and clearly expressed on the issues.

THEREFORE:

(1) I will conduct the campaign openly and publicly and limit attacks on my opponent to legitimate challenges to my opponent's record and stated positions on issues.

(2) I will not use or permit the use of character defamation, whispering campaigns, libel, slander, or scurrilous attacks on any candidate or the candidate's personal or family life.

(3) I will not use or permit any appeal to negative prejudice based on race, sex, religion, or national origin.

(4) I will not use campaign material of any sort that misrepresents, distorts, or otherwise falsifies the facts, nor will I use malicious or unfounded accusations that aim at creating or exploiting doubts, without justification, as to the personal integrity or patriotism of my opponent.

(5) I will not undertake or condone any dishonest or unethical practice that tends to corrupt or undermine our system of free elections or that hampers or prevents the full and free
expression of the will of the voters, including any activity aimed at intimidating voters or
discouraging them from voting.

(6) I will defend and uphold the right of every qualified voter to full and equal
participation in the electoral process, and will not engage in any activity aimed at intimidating
voters or discouraging them from voting.

(7) I will immediately and publicly repudiate methods and tactics that may
come from others that I have pledged not to use or condone. I shall take firm action against any
subordinate who violates any provision of this code or the laws governing elections.

I, the undersigned, candidate for election to public office in the State of Texas or
campaign treasurer of a political committee, hereby voluntarily endorse, subscribe to, and
solemnly pledge myself to conduct the campaign in accordance with the above principles and
practices.

CANDIDATE/OFFICE HOLDER REPORT OF UNEXPENDED CONTRIBUTIONS INSTRUCTIONS & FORMS
FORM C/OH-UC: CANDIDATE/OFFICEHOLDER REPORT OF UNEXPENDED CONTRIBUTIONS

These instructions are for candidates and officeholders using FORM C/OH-UC: CANDIDATE / OFFICEHOLDER REPORT OF UNEXPENDED CONTRIBUTIONS. Use Form C/OH-UC for filing either an annual report of unexpended contributions or a report of the final disposition of unexpended contributions.

GENERAL INSTRUCTIONS

ANNUAL REPORT OF UNEXPENDED CONTRIBUTIONS. You must file this report if one of the following descriptions applies to you:

(1) You filed a final report as a candidate at a time when you were not an officeholder and you had unexpended political contributions, interest, assets, or other money earned from political contributions at the time you filed the final report; or

(2) You ceased to be an officeholder at a time when you did not have a campaign treasurer on file, and you had unexpended political contributions, interest, assets, or other money earned from political contributions at the time you ceased to be an officeholder.

You must file an Unexpended Contributions - Annual report not earlier than January 1 and not later than January 15 of the year after each year in which you maintained unexpended contributions or assets. You must complete Form C/OH-UC and designate the report as an annual report by checking the “Annual” box.

You must continue to file Unexpended Contributions - Annual reports until you have disposed of all your unexpended contributions or assets. Once you have disposed of all your contributions or assets, you must file an Unexpended Contributions - Final report.

You may not retain unexpended contributions or assets longer than six years after the date you filed your final report or ceased being an officeholder, as applicable. If you still maintain unexpended assets at the end of the six-year period, you must dispose of the assets in one of the following ways:

(1) You may give them to the political party with which you were affiliated when your name was last on the ballot.

(2) You may give them to a candidate or a political committee. If you do so, however, you must file a report on Form AS IF-SPAC as described below under “Extra Reporting for a Contribution to a Candidate or Political Committee.”

(3) You may give them to the comptroller for deposit in the state treasury to be used to finance primary elections.

(4) You may give them to one or more persons from whom you received political contributions, but the total returned to any person may not exceed the aggregate
amount accepted from that person during the last two years during which you were accepting political contributions.

(5) You may give them to a recognized charitable organization formed for educational, religious, or scientific purposes that is exempt from taxation under Section 501(c)(3), Internal Revenue Code of 1986, and its subsequent amendments.

(6) You may give them to a public or private post-secondary educational institution or an institution of higher education as defined by Section 61.003(8), Education Code, for the purpose of assisting or creating a scholarship program.

You may dispose of unexpended contributions or assets in this manner at any time during the six-year period.

EXTRA REPORTING FOR CONTRIBUTION TO CANDIDATE OR POLITICAL COMMITTEE. If you contribute unexpended contributions or assets to another candidate or political committee, you must report the contribution twice. You must include the contribution on your Annual Report and you must also report the contribution on a AS IF-SPECIFIC-PURPOSE COMMITTEE CAMPAIGN FINANCE REPORT (Form AS IF-SPAC). You must file the AS IF-SPAC report with the filing authority with whom the candidate or political committee files reports by the date by which the candidate or political committee receiving the contribution must report the receipt of the contribution.

NOTE: If the candidate or political committee files with the Texas Ethics Commission (Commission), you will need a separate “AS IF-SPAC” filer ID to file the AS IF-SPAC report. Please contact the Commission for help in establishing an AS IF-SPAC filer ID.

FINAL DISPOSITION OF UNEXPENDED CONTRIBUTIONS REPORT. You must file a report of the final disposition of your unexpended contributions or assets. Complete Form C/OH-UC and designate the report as an “Unexpended Contributions – Final” report by checking the “Final Disposition” box. The report is due no later than the 30th day after the end of the six-year period.

TEXAS ETHICS COMMISSION CORRECTION/AMENDMENT AFFIDAVIT FOR CANDIDATE/OFFICEHOLDER FORM
CORRECTION/AMENDMENT AFFIDAVIT
FOR CANDIDATE/OFFICEHOLDER

All Reports: A filer who files a corrected report must submit a correction affidavit. The affidavit must identify the information that has changed.

Reports filed with Texas Ethics Commission: A corrected report (other than a report due 8 days before an election or a special report near election) filed with the Ethics Commission after its due date is not considered late for purposes of late-filing penalties if: (1) any error or omission in the report as originally filed was made in good faith, and (2) the person filing the report files a corrected report and a good-faith affidavit not later than the 14th business day after the date the person learns that the report as originally filed is inaccurate or incomplete.

Semiannual Reports: Effective September 1, 2011, a semiannual report (due January 15 or July 15) that is amended/corrected before the eighth day after the original report was filed is considered to have been filed on the date the original report was filed. A semiannual report that is amended/corrected on or after the eighth day after the original report was filed is considered to have been filed on the date the original report was filed if: (1) the amendment/correction is made before any complaint is filed with regard to the subject of the amendment/correction; and (2) the original report was made in good faith and without intent to mislead or misrepresent the information contained in the report.

Attach additional pages as necessary.

INSTRUCTIONS FOR COMPLETING THIS FORM

The following numbers correspond to the numbered boxes on the other side.

1. Filer ID. If you file with the Ethics Commission, you should have received a letter acknowledging receipt of your campaign treasurer appointment and assigning you a Filer ID. Put that number in this box. If you do not file with the Ethics Commission, skip this box.

2. Total Pages Filed. After completing this form and any attachments, count the number of pages. Enter that number in this box. Each side of a two-sided form counts as a page. In other words, this form is two pages.

3. Candidate/Officeholder Name. Put your full name here. Enter your name in the same way as on the report you are correcting.

4. Original Report Type. Mark the type of report you are correcting.

5. Original Period Covered. Enter the period covered by the report you are correcting. The year is important because filers sometimes correct reports years after filing the original.

6. Explanation of Correction. Attach any part of the campaign finance report form needed to report and explain corrections. Explain why there was an error on the original report. Also explain what information is being corrected and how the new information is different from the information on the original report. (Use additional pages if you need more space.) You may also use this area to request a waiver or reduction of a late-filing penalty and state the basis of your request.

7. Affidavit. Read the affidavit before signing. You must sign the affidavit in the presence of an individual authorized to take oaths. If signed before a notary public, the affidavit must include the notary’s signature and seal.

POLITICAL ADVERTISING INFORMATION

CITY SIGN ORDINANCE

(POLITICAL SIGNS)
POLITICAL ADVERTISING
What You Need To Know

The Texas Election Law requires certain disclosures and notices on political advertising. The law also prohibits certain types of misrepresentation in political advertising and campaign communications. This brochure explains what you need to know to insure that your political advertising and campaign communications comply with the law.

If you are not sure what the law requires, do the cautious thing. Use the political advertising disclosure statement whenever you think it might be necessary, and do not use any possibly misleading information in political advertising or a campaign communication. If you are using political advertising or campaign communications from a prior campaign, you should check to see if the law has changed since that campaign.

Candidates for federal office should check with the Federal Election Commission at (800) 424-9530 for information on federal political advertising laws.

NOTICE: This guide is intended only as a general overview of the disclosure statements that must appear on political advertising as required under Chapter 255 of the Election Code, which is distinct from political reporting requirements under Chapter 254 of the Election Code.

Revised January 1, 2017
REQUIRED DISCLOSURE ON POLITICAL ADVERTISING

I. What Is Political Advertising?

The disclosure statement and notice requirements discussed in this section apply to “political advertising.” In the law, “political advertising” is a specifically defined term. Do not confuse this special term with your own common-sense understanding of advertising.

To figure out if a communication is political advertising, you must look at what it says and where it appears. If a communication fits in one of the categories listed in Part A (below) and if it fits in one of the categories listed in Part B (below), it is political advertising.

Part A. What Does It Say?

1. Political advertising includes communications supporting or opposing a candidate for nomination or election to either a public office or an office of a political party (including county and precinct chairs).

2. Political advertising includes communications supporting or opposing an officeholder, a political party, or a measure (a ballot proposition).

Part B. Where Does It Appear?

1. Political advertising includes communications that appear in pamphlets, circulars, fliers, billboards or other signs, bumper stickers, or similar forms of written communication.

2. Political advertising includes communications that are published in newspapers, magazines, or other periodicals in return for consideration.

3. Political advertising includes communications that are broadcast by radio or television in return for consideration.

4. Political advertising includes communications that appear on an Internet website.

II. When Is A Disclosure Statement Required?

The law provides that political advertising that contains express advocacy is required to include a disclosure statement. The person who causes the political advertising to be published, distributed, or broadcast is responsible for including the disclosure statement.

The law does not define the term “express advocacy.” However, the law does provide that political advertising is deemed to contain express advocacy if it is authorized by a candidate, an agent of a candidate, or a political committee filing campaign finance reports. Therefore, a disclosure statement is required any time a candidate, a candidate’s agent, or a political committee authorizes political advertising.
The precise language of political advertising authorized by someone other than a candidate, the candidate’s agent, or a political committee will determine if the advertising contains express advocacy and is therefore required to include a disclosure statement. Generally, the question is whether the communication expressly advocates the election or defeat of an identified candidate, or expressly advocates the passage or defeat of a measure, such as a bond election. The inclusion of words such as “vote for,” “elect,” “support,” “defeat,” “reject,” or “Smith for Senate” would clearly constitute express advocacy, but express advocacy is not limited to communications that use those words. Similar phrases, such as “Cast your ballot for X,” would also constitute express advocacy. Additionally, in 2007, the United States Supreme Court held that an advertisement included express advocacy or its functional equivalent “if the ad is susceptible to no reasonable interpretation other than as an appeal to vote for or against a specific candidate.” FEC v. Wisconsin Right to Life, Inc., 127 S.Ct. 2652 (2007). It is a question of fact whether a particular communication constitutes express advocacy. If you are not sure whether political advertising contains express advocacy, do the cautious thing and include the disclosure statement. That way there is no need to worry about whether you have violated the law.

Remember: The concept of “express advocacy” is relevant in determining whether political advertising is required to include a disclosure statement. However, the political advertising laws governing the right-of-way notice, misrepresentation, and use of public funds by political subdivisions will apply to political advertising regardless of whether the advertising contains express advocacy.

III. What Should The Disclosure Statement Say?

A disclosure statement must include the following:

1. the words “political advertising” or a recognizable abbreviation such as “pol. adv.”; and

2. the full name of one of the following: (a) the person who paid for the political advertising; (b) the political committee authorizing the political advertising; or (c) the candidate or specific-purpose committee supporting the candidate, if the political advertising is authorized by the candidate.

The disclosure statement must appear on the face of the political advertising or be clearly spoken if the political advertising does not include written text.

The advertising should not be attributed to entities such as “Committee to Elect John Doe” unless a specific-purpose committee named “Committee to Elect John Doe” has filed a campaign treasurer appointment with the Ethics Commission or a local filing authority.

IV. Are There Any Exceptions To The Disclosure Statement Requirement?

The following types of political advertising do not need the disclosure statement:

1. t-shirts, balloons, buttons, emery boards, hats, lapel stickers, small magnets, pencils, pens, pins, wooden nickels, candy wrappers, and similar materials;

2. invitations or tickets to political fundraising events or to events held to establish support for a candidate or officeholder;
3. an envelope that is used to transmit political advertising, provided that the political advertising in the envelope includes the disclosure statement;

4. circulars or fliers that cost in the aggregate less than $500 to publish and distribute; and

5. political advertising printed on letterhead stationery, if the letterhead includes the name of one of the following: (a) the person who paid for the advertising, (b) the political committee authorizing the advertising, or, (c) the candidate or specific-purpose committee supporting the candidate, if the political advertising is authorized by the candidate. (Note: There is also an exception for holiday greeting cards sent by an officeholder, provided that the officeholder’s name and address appear on the card or the envelope.)

V. What Should I Do If I Discover That My Political Advertising Does Not Contain A Disclosure Statement?

The law prohibits a person from using, causing or permitting to be used, or continuing to use political advertising containing express advocacy if the person knows it does not include the disclosure statement. A person is presumed to know that the use is prohibited if the Texas Ethics Commission notifies the person in writing that the use is prohibited. If you receive notice from the Texas Ethics Commission that your political advertising does not comply with the law, you should stop using it immediately.

If you learn that a political advertising sign designed to be seen from the road does not contain a disclosure statement or contains an inaccurate disclosure statement, you should make a good faith attempt to remove or correct those signs that have been distributed. You are not required to attempt to recover other types of political advertising that have been distributed with a missing or inaccurate disclosure statement.

The Fair Campaign Practices Act sets out basic rules of decency, honesty, and fair play to be followed by candidates and political committees during a campaign. A candidate or political committee may choose to subscribe to the voluntary code by signing a copy of the code and filing it with the authority with whom the candidate or committee is required to file its campaign treasurer appointment. A person subscribing to the code may indicate that fact on political advertising by including the following or a substantially similar statement:

(Name of the candidate or political committee, as appropriate) subscribes to the Code of Fair Campaign Practices.

VII. Special Rule For Judicial Candidates, Officeholders, and Committees.

Candidates for the Supreme Court, Court of Criminal Appeals, courts of appeals, district courts, statutory county courts (county courts-at-law), and statutory probate courts are required to file a form declaring their intent to either comply with or exceed the voluntary expenditure limits of the Judicial Campaign Fairness Act. A candidate who has declared an intent to comply with the expenditure limits, as well as a specific-purpose committee supporting such a candidate, may
state the following in political advertising:

**Political advertising paid for by (name of candidate or committee) in compliance with the voluntary limits of the Judicial Campaign Fairness Act.**

If a candidate declares an intent to exceed the expenditure limits, however, both the candidate and any specific-purpose committee supporting the candidate must include in their political advertising the following statement:

**Political advertising paid for by (name of candidate or committee), (who or which) has rejected the voluntary limits of the Judicial Campaign Fairness Act.**

---

**ROAD SIGNS**

**I. When Is The “Right-Of-Way” Notice Required?**

All written political advertising that is meant to be seen from a road must carry a “right-of-way” notice. It is a criminal offense to omit the “right-of-way” notice in the following circumstances:

1. if you enter into a contract or agreement to print or make written political advertising meant to be seen from a road; or

2. if you instruct another person to place the written political advertising meant to be seen from a road.

**II. What Should The “Right-Of-Way” Notice Say?**

Section 255.007 of the Texas Election Code prescribes the exact language of the notice:

**NOTICE: IT IS A VIOLATION OF STATE LAW (CHAPTERS 392 AND 393, TRANSPORTATION CODE) TO PLACE THIS SIGN IN THE RIGHT-OF-WAY OF A HIGHWAY.**

**III. Do Yard Signs Have To Have The “Right-Of-Way” Notice?**

Yes. The “right-of-way” notice requirement applies to signs meant to be seen from any road. The notice requirement assures that a person responsible for placing signs is aware of the restriction on placing the sign in the right-of-way of a highway.

**IV. What About Bumper Stickers?**

Bumper stickers do not need the “right-of-way” notice. They do, however, need a political advertising disclosure statement.
V. Where May I Place My Signs And How Long May Signs Be Posted?

For information about exactly where you may or may not place signs, or for information regarding the length of time your signs may be posted, check with your city or county government and with the Texas Department of Transportation at (512) 416-2901.

MISREPRESENTATION

I. Are There Restrictions On The Contents Of Political Advertising?

Political advertising and campaign communications may not misrepresent a person’s identity or official title, nor may they misrepresent the true source of the advertising or communication. The election law does not address other types of misrepresentation in political advertising or campaign communications.

Note that the misrepresentation rules apply to both political advertising and campaign communications. “Campaign communication” is a broader term than “political advertising.”

A “campaign communication” means “a written or oral communication relating to a campaign for nomination or election to public office or office of a political party or to a campaign on a measure.”

II. Misrepresentation Of Office Title.

A candidate may not represent that he or she holds an office that he or she does not hold at the time of the representation. If you are not the incumbent in the office you are seeking, you must make it clear that you are seeking election rather than reelection by using the word “for” to clarify that you don’t hold that office. The word “for” must be at least one-half the type size as the name of the office and should appear immediately before the name of the office. For example, a non-incumbent may use the following formats:

Vote John Doe for Attorney General

John Doe For Attorney General
III. Misrepresentation Of Identity Or Source.

A person violates the law if, with intent to injure a candidate or influence the result of an election, the person misrepresents the source of political advertising or a campaign communication or if the person misrepresents his or her own identity or the identity of his or her agent in political advertising or in a campaign communication. (If someone else is doing something for you, that person is your agent.) For example, you may not take out an ad in favor of your opponent that purports to be sponsored by a notoriously unpopular group.

IV. Use Of State Seal.

Only officeholders may use the state seal in political advertising.

Political Signs

In all areas regulated by this section, political signs may be erected or placed no closer than three feet from the edge of a roadway. Such signs shall be removed from public rights-of-way within ten days following the election for which the sign has been placed. In an area regulated by this section on private property where a political sign is located with the consent of the owner of the real property, such political signs shall not have an effective area greater than 36 square feet, nor greater than eight feet in height, be illuminated, or contain any moving parts, and a maximum size of three square feet on public property.

Political signs do not require a permit.
